

Fife Councillors

Fife wards and local area committee regions

Fife is divided into 22 wards, each represented by three or four councillors. Any of your local councillors can help you with community issues. They all work on an equal footing within the ward; you can choose which councillor to approach.

If you don't know which ward you live in, or who your local councillors are, use the postcode search at boundaries.scot

You can also get a message to your Councillor(s) at members.services@fife.gov.uk
