

Adult Support and Protection Hoarding Surgery 2026

An Adult Support and Protection interagency Hoarding Surgery has been developed and forum events to be held through 2026.

Aims and Objectives.

The aim of the Adult Support and Protection Hoarding Surgery is to

- Provide a networking opportunity
- Contribute to continuously improving practice, improvement, and positive change
- Allow frontline practitioners to voice their ideas and highlight any areas for clarification
- Improve partnership working
- Raise awareness of roles, responsibility, and remit of other agencies
- Share experiences
- Learn from others
- Clarify roles, responsibilities, and remit of our multi agency partners
- Clarify misconceptions

The Hoarding Surgery will

- a. Work proactively to contribute to new initiatives;
- b. Voice constructive feedback around current practice issues;
- c. Provide ideas to issues arising
- d. Share information with their teams/ colleagues
- e. Feedback appropriately to the group, on behalf of their teams, for escalation to other forums if required
- f. Commit to supporting the positive development of good practice across Fife

Regulation and Management

The interagency Hoarding Surgery provides representatives with a real opportunity to have a voice, to be consulted with, and involved in developing and improving practice in relation to the subject matter.

All multi agency partners should be represented

A representative from each agency is required.
