This is a statutory form, prescribed by the Cremation (Scotland) Regulations 2019. The information and questions contained in this form must not be changed.

This form must be used to apply for the cremation of a pregnancy loss, where the loss occurred on or before the end of the 24th week of gestation and showed no signs of life.

This application form should be completed by the woman who has experienced the pregnancy loss, unless the woman authorises another person to complete the form on her behalf or if she is unable to do so due to exceptional circumstances.

The application is made to the cremation authority you want to carry out the cremation. The cremation authority is the organisation responsible for running the crematorium where the cremation is to take place. As the person who is applying for the cremation, you are 'the applicant' and must have the legal right to apply for the cremation.

The cremation authority will need to check the form to make sure it contains all of the necessary information. Missing information or information that is not accurate may result in the cremation being delayed or refused. If you are unsure about any of the information that is required, or what any part of the form means, you can speak to the funeral director who is making the arrangements, staff at the crematorium, or to any other person who is arranging the funeral. You do not have to use the services of a funeral director to arrange a cremation but where one is being used the funeral director must sign the relevant part of section 5 of this form.

If it is necessary to change the crematorium for any reason a new Form A3 should be completed.

Personal data

The information provided on this form is a legal requirement under the Burial and Cremation (Scotland) Act 2016 and will be processed in line with data protection legislation. The data will be held by the cremation authority that is carrying out the cremation. It will be held securely, in confidence and processed solely for the purposes set out by or under the Burial and Cremation (Scotland) Act 2016. It will not be shared with any third party other than an inspector of cremation, if requested. You have the right to know what data is held about you and you can, by contacting the cremation authority in writing, receive a copy of that data. The cremation authority is obliged to include in their privacy notice how the information will be held, for how long and how you may make a complaint to the Information Commissioner's Office.

Required documents

You should ensure that you have attached to this application form the medical certificate of pregnancy loss or health authority/medical practitioner confirmation that the pregnancy has ended. If the procurator fiscal has been involved, you may also need to attach a Form E1. The cremation authority must have these documents for the cremation to take place. See the Guidance Notes (a) for more information.
