## 2021.R.L.382

The Committee considered the application and agreed that:-

- the applicant was fit and proper to be authorised to permit persons to occupy any living accommodation as an HMO;
- the agent was fit and proper to be authorised to permit persons to occupy any living accommodation as an HMO; and
- the property was suitable for use as an HMO or could be made suitable with conditions;

The Committee then considered if granting the licence would NOT result in the overprovision of HMOs in the locality in which the living accommodation concerned was situated.

The Committee, after hearing the applicant, her agent & Solicitor as well as those persons in attendance who had made representation to the application and considering the other representations and written submission received, made the following decision on the application.

### Motion

Councillor Garry Haldane, seconded by Councillor Alistair Cameron, moved that the application be moved to the next stage of the application process as granting the licence would NOT result in the overprovision of HMOs in the locality in which the living accommodation concerned was situated.

### Amendment

Councillor David Graham, seconded by Councillor Ryan Smart, moved, as an amendment that the licence be refused as granting the licence would result in the overprovision of HMOs in the locality in which the living accommodation concerned was situated.

### Vote

|           |   |   |
|-----------|---|---|
| Amendment | - | 3 |
| Motion    | - | 5 |

### Decision

The Committee agreed that granting the licence would NOT result in the overprovision of HMOs in the locality in which the living accommodation concerned was situated and moved the application to the next stage of the application process.

The/

The applicant and respondents were invited to attend and be represented at the meeting. The applicant was in attendance with her agent, Paul Shields & her Solicitor, Gillian Buchanan. Rev. Dr. John Cameron, Tony Gray, Chris Underwood, representing Sherri Underwood and Jill Cameron, representing Jim Kinghorn & Sheila Unkles were all present as respondents or their representatives to the application.

As the Sheriff directed that the application be considered by a differently constituted Committee, this would have resulted in the meeting being inquorate. Therefore, it was agreed that Councillors Ian Ferguson, Donald Lothian and John O'Brien would be in attendance, for the above hearing only, as they had all previously been on the Regulation and Licensing Committee in the past. The other Councillors in attendance at the hearing were not present at the previous hearing on 10th December, 2019.

---

### **Purpose:**

---

To advise the Committee of the outcome of the Annual Taxi and Private Hire Car Inspection Tests for the West Fife Area.

### **Recommendation:**

---

It is recommended that:

- (1) random inspection tests, six months after the annual test dates, should be considered, where appropriate, to ensure public safety; and
- (2) the Committee takes any other steps it deems appropriate.

### **Resource Implication:**

---

Arrangements may have to be made for eight random inspection tests.

### **Legal & Risk Implications:**

---

There is a possible public safety risk if no random inspections are carried out.

### **Policy & Impact Assessment:**

---

None

### **Consultation:**

---

None

## 1.0 Background

---

- 1.1 This report gives details of the results of the inspections carried out on vehicles operating in West Fife in August, September & October 2021.
- 1.2 Of the 99 vehicles tested in West Fife, 91 passed first time which equated to 92%. The percentage pass rate in November, 2019 and August, 2019 was 99% and the percentage fail rate on these dates was 1%.
- 1.3 Summaries of the results and failures are attached in Appendix 1 to this report.

## 2.0 Issues and Options

---

- 2.1 As well as considering random testing of vehicles, the Committee, may deem it appropriate to:
  - invite those operators whose vehicles failed the test to a meeting with the Convener and Vice-Convener of the Committee to discuss their maintenance procedures; or
  - consider whether or not to hold Hearings under paragraph 11 of Schedule 1 to the Civic Government (Scotland) Act 1982 which relates to suspension of the licences.

## 3.0 Conclusions

---

- 3.1 Although it's disappointing that this report shows a decrease in the first time pass rate from 2019, the Operators whose vehicles passed the test first time should be congratulated for their first class efforts in continuing to maintain their cars to a very high standard at this very difficult time.
