

Petroleum Storage Certificate

Under the Petroleum (Consolidation) Regulations 2014

1. Site address [including post code]

2. Date you want the certificate to come into force

3. Tank information [Please provide all details of all fuel storage tanks]

Tanks in which the Petroleum Enforcing Authority (PEA) are required to permit petroleum to be stored:

Tank number	Compartment <i>(Split compartment tanks)</i>	Maximum working capacity	Type of fuel currently stored

4. Fees

The annual fee is calculated on the maximum working capacity of petrol stored in the above tanks as indicated by you. Specify the initial period for which you intend to pay the fee below.

Please note: Paying for multiple years will reduce administrative burden on your business and enable you to purchase at the current year's fee rate. However the Regulations are subject to review and the inclusion of fees could be changed.
