Important Notes

- Fife Council do not award grants retrospectively, i.e. we do not refund costs that were incurred prior to the date the application was received in this office.
- Fife Council do not consider **late** requests for training costs, i.e. if the grant application arrives after the course has started.
- Applications arriving after the deadline date will be deferred until the following meeting.
- Only one application per grant scheme and sports category will be considered from an individual or organisation in any financial year (1st April to 31st March).
- Applications from organisations should include 2 year's annual accounts, checked and signed by an office bearer (normally the Treasurer) **and** an independent examiner / auditor.
- Individuals or organisations should not apply to more than one grant scheme for the same project – failure to comply will result in all awards having to be repaid to Fife Council.
- Community Culture applications from organisations should be submitted no later than 8 weeks prior to the project or event taking place.
- Fife Council will not consider a request for financial support, where an organisation intends to donate any of their proceeds to a third party.
