

Get involved

- Book a free and impartial home energy advice visit
- Drop into the High Street Hub or speak to us at an event

- Invite us to give a talk to your group or organisation
- Invite us to have a stall or run an activity at your event
- Become a volunteer Energy Champion and help spread the word

Cosy Kingdom is a free and impartial energy and debt advice service available to all tenants and homeowners across Fife. It's a partnership between Greener Kirkcaldy, St Andrews Environmental Network and Citizens Advice and Rights Fife which has already helped over 5,000 households reduce their energy use and stay cosy.

FREE home energy and debt advice

Supporting people
throughout Fife

What we do

HOME VISITS

Our energy advisors can visit you in your home to help you find practical and affordable ways to save energy. They can:

- Help with bills, tariffs and switching suppliers
- Help you understand your heating controls and how to get the best out of appliances and smart meters
- Advise on energy efficiency measures and funding for new heating systems and insulation
- Advise on renewable systems for your home and cutting your carbon footprint
- Check your eligibility and help you apply for the Warm Home Discount
- Help you tackle draughts and dampness
- Help you deal with fuel debt by negotiating with suppliers, arranging repayment plans and applying for grants to get debt reduced

Additional help

HANDY SERVICE

We have a free handy service (for those eligible) that can install energy efficiency measures such as:

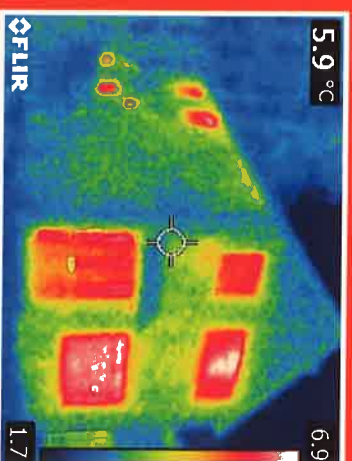

- Low energy light bulbs
- Draught proofing
- Thermal curtains

WE CAN ALSO:

- Loan you a halogen heater if you don't have a working heating system
- Help to get your gas reconnected if you've been cut off
- Loan you an energy monitor to help you keep on top of your energy usage

- Take thermal images of your home to show areas of heat loss

Referrals

We can refer you to other organisations for additional help and support.

CITIZENS ADVICE & RIGHTS FIFE

An advisor from CARF can help you over the phone or visit you in your home. They can:

- Provide free benefit checks
- Help you complete forms and applications
- Advise on tax credits, council tax and housing costs
- Advise on benefits - payments, problems and future changes
