TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 2019-20

Introduction

Elected members of Fife Council act as trustees' for the Charitable Trusts listed at page 5 which have charitable status and are registered with the Office of the Scottish Charity Regulator (OSCR). The financial statements included within this report incorporate all of the charities detailed on page 6 of this report.

The principal address of the Charitable Trusts is:

Fife Council
Finance and Corporate Services
Fife House
North Street
Glenrothes
Fife
KY7 5LT

Fife Council administers the Charitable Trusts and separately accounts for them. They do not form part of the Council's single entity balance sheet, although under Section 222 of the Local Government (Scotland) Act 1973, the property of the Charitable Trusts vest[s] in the relevant local authority. However they are included in the financial statements of the Council and its group.

The Trust Auditors are:-

Audit Scotland
4th Floor
102 West Port
Edinburgh
EH3 9DN

Trustees

As per guidance provided by OSCR, "Trustees" of the Charitable Trusts are described as those who have "general control and management" of the charity. The Council has determined that members of the relevant Area Committee will be the trustees for charitable trusts. For the purposes of this report it is our interpretation of the aforementioned that all elected members are Charity Trustees.

A full list of Trustees of the Charitable Trusts in their capacity as elected members of Fife Council can be found on page 5 of this report.

Day to day management of the Charitable Trusts is delegated to the Executive Director of Finance and Corporate Services of Fife Council. All of the Trustees for the accounts are normally elected or re-elected at local government elections. By-elections are held on the occasions of elected members vacating their positions to elect new members, who automatically become Trustees.

Objectives and Activities

The objective of the Charitable Trusts is to provide support to organisations and individual, in the form of grants, payments and awards, for projects which fulfil the criteria of the Trusts.

Income to the Charitable Trusts comprises; donations, investment returns and bank interest.

There are 46 Charitable Trusts, 30 of which are Settlement Trust funds. The following Financial Statements for all 46 registered charities have been prepared using the connected charities provision. Administration of the Settlement Trusts has been devolved to Area Service Managers to allow more localised decision making on spend, in line with the Council's overall objective of decentralisation.

Structure, Governance and Management

The Charitable Trusts are constituted in a variety of ways, many coming from bequests from individuals or families who have entrusted a predecessor local authority with the task of distributing the fund for a charitable purpose.

Individual Trusts and an indication of their purpose can be found on page 6 of this report. Information regarding many of the Trusts is not available owing to their antiquity and the fact that since coming into public control they have been administered by several local government bodies, the purpose of these trusts have been agreed with OSCR and updated on the OSCR online register. Trustees have assured themselves that, where governance documents are missing, the charity nevertheless meets its objectives, in terms of the reporting process to them which has set out the purposes to which the funds have historically been put as well as correspondence with OSCR to confirm their understanding of the current purposes.

The Executive Director of Finance and Corporate Services has responsibility for ensuring an effective system of internal financial control is maintained and operated. This system of internal financial control can only provide reasonable and not absolute assurance that assets are safeguarded, transactions are recorded and properly authorised, and that material errors or irregularities are either prevented or would be detected within a timely period. The system of internal financial control is based on a framework of regular management information, financial regulations, administrative procedures and a system of delegation and accountability. The Executive Director of Finance and Corporate Services is responsible for keeping proper accounting records which are up to date and ensure that the financial statements comply with the Charities Accounts (Scotland) Regulations 2006.

Decisions regarding the overall operation, assets, processes or policies of the Charitable Trusts were delegated by the Council to Policy and Co-ordination Committee for 2019-20. However, as previously stated, the Scheme of Administration allows Area Committees to take most decisions on individual charitable trusts within their Area.

Risk

The Trustees have overall responsibility for the Charitable Trusts system of internal control that is designed by senior management to ensure effective and efficient operations, including financial reporting and compliance with laws and regulations. The Trustees acknowledge that such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can only provide reasonable and not absolute assurance against material misstatement or loss.

The main risk identified is the movement in market value and returns from investments held by the Trusts. Fife Council has a risk adverse appetite which is demonstrated by the outsourcing of investment management to Janus Henderson Investors who are an international investment company, however the coronavirus (COVID-19) pandemic has seen worldwide volatility in financial markets.

Achievements and Performance

The Charitable Trusts made grants totalling £27,344 in the year to support local communities. These were made from 16 individual Trusts and a total of 43 separate grants were awarded in 2019-20, an increase from the 30 grants awarded in 2018-19. Details of the most significant donations in the year are as follows:

Anstruther & Cellardyke Settlement Trust	
Anstruther Harbour Festival Trust - towards operating costs for 2019 festival	£4,000
Tennis Club - towards renovations of the Club House	£1,000
Crail Settlement Trust	
Emergency Resilience Group - in response to COVID 19	£2,000
Dunfermline Settlement Trust	
Duloch Parkrun	£1,500
Community Use - Funding free places	£1,000
Turn Project - Criminal Justice Self Help Group	£1,000
Kirkcaldy Settlement Trust	
Kirkcaldy YMCA - towards new PC	£910
Nourish - towards food and personal care items	£1,000
Newburgh Settlement Trust	
Tayside Institute - Christmas Dinner	£1,438
St Andrews Settlement Trust	
NEF Community Hub - extend Café Project for vulnerable residents	£2,690
Madras College FP Ladies - towards cost of pitch hire for junior hockey	£1,800

Financial Statements

Financial Statements for Fife Council Charitable Trusts have been prepared in accordance with the Charities Accounts (Scotland) Regulations 2006 and the Accounting and Reporting by Charities Statement of Recommended Practice (Charities SORP). The main statements included are;

- Statement of Financial Activities: Providing an analysis of incoming and outgoing transactions for the period.
- Balance Sheet: Showing the value as at the Balance Sheet date of the assets and liabilities recognised by the Charitable Trusts. The Balance Sheet also summarises final closing balances at the end of the year.
- Notes to the Financial Statements: To expand on or explain the information contained in Statement of Financial Activities and Balance Sheet.

A Cash flow statement is not required as stated in FRS102

Financial Review

The Charitable Trusts have no explicit reserves policy, but as a general principle the “Capital” of the funds is held effectively as a permanent endowment, with only the annual income available for disbursement in the year. Trustees are permitted to use “Capital” balances should they require, however this will result in a reduction in the level of funding available for future investment. All funds within the Trusts have been classified as unrestricted funds in terms of the OSCR returns.

The main funding sources for the Charitable Trusts consist of UK government bond interest and bank interest. Given the reliance on deposit interest the faltering economic recovery is having a negative impact on income generated.

In 2019-20, the net movement in funds is a decrease of £145,483. The main reason for this change is the decrease in the market value of investments £162,932 as a result of the financial markets reaction to coronavirus (COVID19) pandemic. Although markets continued to trade, they are volatile in nature for example, markets were falling by nearly 10% in a day then rebounding the next. The investments held have been subject to that volatility. The balances are £1,452,064 as at 31 March 2020.

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies

A General Principles

The financial statements for the period ended 31 March 2020 have been compiled in accordance with the Charities Accounts (Scotland) Regulations 2006, Accounting and Reporting by Charities Statement of Recommended Practice Charities SORP (FRS102). They are designed to give a true and fair view of the financial performance and position of the Charitable Trusts and comparative figures for the previous financial year are provided. There are no significant departures from accounting standards other than that outlined specifically below.

The accounting concepts of “materiality” and “going concern” have been considered in the application of accounting policies. In this regard the materiality concept means that information is included where the information is of such significance to justify its inclusion. The going concern concept assumes that the Charitable Trusts will not significantly curtail the scale of its operations. Trustees are of the opinion that the Charitable Trusts are a going concern based on a review of activities undertaken and expected commitments in the coming year and, as such, these financial statements are prepared on a going concern basis.

These accounts have been prepared on an accruals basis, accruals are made for all material debtors and creditors within the accounts and on the basis of the “connected charities” provision outlined in Section 7 of the Charities Accounts (Scotland) Regulations 2006. In addition, the accounts have been prepared under the historic cost convention, other than changes resulting from the revaluation of certain categories of assets.

All investments are listed investments held at fair value.

The following accounting policies used in its preparation have been reviewed following the introduction of Financial Reporting Standard 18 “Accounting Policies” (FRS18).

B Recognition of Income

These are included in the Statement of Financial Activities when the income is due and receivable in the period to which it relates.

- Investment Income: This is included in the accounts when due and receivable, investments are held in Janus Henderson Investors. The investment strategy is to generate income whilst preserving and growing capital.
- Investment Gains and Losses: This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments.

C Expenditure

These are recognised in the accounts when they are due and payable.

- Costs of Generating Funds: The cost of administering the Charitable Trusts is borne by Fife Council.
- Governance Costs: where applicable, include; cost of the preparation and examination of statutory accounts, cost of any legal advice to trustees on governance or constitutional matters; and the cost of administering grants.
- Charitable Activities: Decisions regarding the way the charitable income is spent are taken by the relevant Area Committee. These are recognised in the accounts when the grant is paid.

D Assets

The fixed assets of the Charitable Trusts are listed investments held with Janus Henderson Investors. Accounting Policies in respect of fixed asset valuation, depreciation and impairment are consistent with that of Fife Council.

8 Debtors

Debtors balance related to accrued income on investments from Janus Henderson Investors of £9,396 (2018-19 £8,957).

9 Cash at Bank and in Hand

Cash at Bank and in Hand are balances held as part of Council's loans fund which have been accumulated over a number of years. In 2019-20 this amounted to £706,189 (2018-19 £689,179).

10 Trustee's Remuneration and Expenses

Neither the Trusts of the Charitable Trust nor any associated person connected with them have received any remuneration for their services. Further, no directly incurred expenses were reimbursed to the Trustees during the period.

11 Related Parties

During the period, the Charitable Trust Balances were invested by Fife Council, who manages the administration of the Funds on behalf of the Trustees. The costs of administering the Trusts is £17,532 and this is provided as a donated service by Fife Council resulting in no direct costs being incurred by the Charitable Trust. The Council acts as the banker for the Charitable Trust and all incomings and outgoings are made via the Council's financial systems.

Independent auditor's report to the trustees of Fife Council Charitable Trusts and the Accounts Commission

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Fife Council Charitable Trusts for the year ended 31 March 2020 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of Fife Council Charitable Trusts as at 31 March 2020 and of their incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charities in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the ability of Fife Council Charitable Trusts to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Responsibilities of the trustees for the financial statements

As explained more fully in the Trustees Responsibilities, the trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Report on other requirements

Opinion on matter prescribed by the Accounts Commission

In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.
