

VEHICLES APPROVED FOR USE AS A TAXI OR PRIVATE HIRE CAR
(SUBJECT TO MANUFACTURERS CHANGES TO MODELS)

Please consult the Council's Fleet Operations for advice prior to purchasing any vehicle. The type and model requires to be approved (this may include vehicles which have previously been licensed) – Milesmark, Dunfermline:- Tel: 03451 55 55 55 (ext 493680), Bankhead Central, Glenrothes:- Tel: 03451 55 55 55 (ext 473396) Cupar Trading Estate, Cupar:- Tel: 03451 55 55 55 (ext 453353).

Any addition to this list of vehicles will require to be approved by the Service Manager (Fleet Operations), Bankhead Central, Glenrothes. Telephone: 03451 555 555 ext: 473392

The Service Manager, Fleet Operations' decision shall be final in determining which group specific vehicles will be added to.

The decision of suitability for use as a taxi/private hire car and/or maximum number of persons allowed in any particular type or model is based on –

- (a) G.V.M. (Gross Vehicle Mass) will not exceed manufacturer's specification.

Illustration for 4 Person Vehicle

Calculation of Payload

Weight of driver + 4 passengers	-	750 lbs (340Kg)
Passenger Luggage	-	112 lbs (51Kg)
Fuel, Oil and Water	-	70 lbs (32Kg)
Spare Wheel, Tools, Fire Extinguisher and Meter etc	-	<u>40 lbs (18Kg)</u>
		<u>972 lbs (441Kg)</u>

(Kerb weight + payload = Gross Vehicle Mass)

- (b) Adequate seating arrangements. Minimum seat width 16 inches (41 centimetres) per person.
- (c) Access/Doors.
- (d) Luggage carrying area.
- (e) Engine power same or greater than 90PS (66kw)

Vehicle Conversions

Any vehicle that has been converted in any way will require either Individual Vehicle Approval (previously Single Vehicle Type Approval) from Driver and Vehicle Standards Agency (D.V.S.A) or a converter's low volume certificate from the Vehicle Certification Agency. You must produce this certification any time the vehicle requires testing.

Accident Damaged Vehicles

Any accident damaged vehicle which has been approved by the DVLA as being roadworthy must have been repaired to a professional standard and be accompanied by a satisfactory engineer's report prior to test. The cost of the report would be at the operator's expense.

Age Limit

There is an age limit of 5 years from the date of first registration for all new vehicles being submitted for the issue of taxi and private hire car licences (including substitutions).

GROUP 1: CARS

All of these vehicles can remain licensed until they are 10 years old from the date of first registration. If the vehicle is a wheelchair accessible vehicle it can remain licensed until it is 12 years old from the date of first registration:
