Dear Sir / Madam,

Thank you for your interest in Property Flood Resilience (PFR) measures for your property. I am pleased to provide you with the necessary information to enable you to support your application for a grant contribution towards equipment intended to afford initial protection to your property.

A number of steps are required to be completed by you, the applicant, before the grant can be made available. These are illustrated in the flow chart on the accompanying page.

The PFR Grant applications will be assessed on a first come first serve basis.

The PFR Grant is hoped to provide a level of initial flood resilience and comfort, in advance of more significant interventions.

Should you have questions around the process, please make contact via the details above.

Your sincerely
