TRUSTEES' ANNUAL REPORT

Introduction

Elected members of Fife Council act as trustees' for the Charitable Trusts listed at page 5 which have charitable status and are registered with the Office of the Scottish Charity Regulator (OSCR). The financial statements included within this report incorporate all of the charities detailed on page 6 of this report.

The principal address of the Charitable Trusts is:

Fife Council
Finance and Corporate Services
Fife House
North Street
Glenrothes
Fife
KY7 5LT

Fife Council administers the Charitable Trusts and separately accounts for them. They do not form part of the Council's single entity balance sheet, although under Section 222 of the Local Government (Scotland) Act 1973, the property of the Charitable Trusts vest[s] in the relevant local authority. However they are included in the financial statements of the Council and its group.

The Trusts' auditors are:-

Azets Audit Services
Quay 2
139 Fountainbridge
Edinburgh
EH3 9QG

Trustees

As per guidance provided by OSCR, "Trustees" of the Charitable Trusts are described as those who have "general control and management" of the charity. The Council has determined that members of the relevant Area Committee will be the trustees for charitable trusts.

A full list of Trustees of the Charitable Trusts in their capacity as elected members of Fife Council can be found on page 5 of this report.

Day to day management of the Charitable Trusts is delegated to the Executive Director - Communities of Fife Council. All of the Trustees for the accounts are normally elected or re-elected at local government elections. By-elections are held on the occasions of elected members vacating their positions to elect new members, who automatically become Trustees.

Objectives and Activities

The objective of the Charitable Trusts is to provide support to organisations and individuals, in the form of grants, payments and awards, for projects which fulfil the criteria of the Trusts.

Income to the Charitable Trusts comprises; donations, investment returns and bank interest.

There are 43 Charitable Trusts, 30 of which are Settlement Trust funds. The following Financial Statements for all 43 registered charities have been prepared using the connected charities provision. Administration of the Settlement Trusts has been devolved to Area Committees to allow more localised decision making on spend, in line with the Council's overall objective of decentralisation.

Structure, Governance and Management

The Charitable Trusts are constituted in a variety of ways, many coming from bequests from individuals or families who have entrusted a predecessor local authority with the task of distributing the fund for a charitable purpose. Individual Trusts and an indication of their purpose can be found on page 6 of this report.

Information regarding many of the Trusts is not available owing to their antiquity and the fact that since coming into public control they have been administered by several local government bodies, the purpose of these trusts have been agreed with OSCR and updated on the OSCR online register. Trustees have assured themselves that, where governance documents are missing, the charity nevertheless meets its objectives, in terms of the reporting process to them which has set out the purposes to which the funds have historically been put as well as correspondence with OSCR to confirm their understanding of the current purposes.

Structure, Governance and Management (continued)

The Executive Director of Finance & Corporate Services has responsibility for ensuring an effective system of internal financial control is maintained and operated. This system of internal financial control can only provide reasonable and not absolute assurance that assets are safeguarded, transactions are recorded and properly authorised, and that material errors or irregularities are either prevented or would be detected within a timely period. The system of internal financial control is based on a framework of regular management information, financial regulations, administrative procedures and a system of delegation and accountability. The Executive Director of Finance & Corporate Services is responsible for keeping proper accounting records which are up to date and which ensure the financial statements comply with the Charities Accounts (Scotland) Regulations 2006.

Decisions regarding the overall operation, assets, processes or policies of the Charitable Trusts are delegated by the Council to its Cabinet Committee. However, as previously stated, the Scheme of Administration allows Area Committees to take most decisions on the use of funds held by individual charitable trusts within their Area.

Following a review of the investment management arrangements, the committee remitted to the Head of Finance to work with the investment adviser, to implement a new Investment Strategy and move to a global exposure through a passive market-cap index, preferably with a climate or Environment Social Governance (ESG) tilt. The new fund manager is Legal and General Investment Management (LGIM) who offer an appropriate range of pooled funds which facilitates a suitable solution. Following conclusion of the due diligence process, the transition of investments from Janus Henderson to LGIM took place over 2 tranches during February and March 2025. This means the investments are now held by LGIM invested collectively in the Future World Climate Change Equity Factors Index Fund and the Global Corporate Bond Fund.

Risk

The Trustees have overall responsibility for the Charitable Trusts system of internal control that is designed by senior management to ensure effective and efficient operations, including financial reporting and compliance with laws and regulations. The Trustees acknowledge that such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can only provide reasonable and not absolute assurance against material misstatement or loss.

The main risk identified is the movement in market value and returns from investments held by the Trusts. Performance monitoring arrangements are in place through the common Good & Trusts Sub-Committee in order to manage the risks.

Achievements and Performance

The Charitable Trusts made grants totalling £38,204 in the year to support local communities. These were made from 17 individual Trusts and a total of 44 separate grants were awarded in 2024-25 compared to 35 grants awarded in 2023-24. Details of the most significant donations are detailed below

Financial Statements

Financial Statements for Fife Council Charitable Trusts have been prepared in accordance with the Charities Accounts (Scotland) Regulations 2006 and the Accounting and Reporting by Charities: Statement of Recommended Practice (Charities SORP). The main statements included are;

- Statement of Financial Activities: Providing an analysis of incoming and outgoing transactions for the period.
- Balance Sheet: Showing the value as at the Balance Sheet date of the assets and liabilities recognised by the Charitable Trusts. The Balance Sheet also summarises final closing balances at the end of the year.
- Notes to the Financial Statements: To expand on or explain the information contained in Statement of Financial Activities and Balance Sheet.

A Cash flow statement is not required as stated in FRS102

Financial Review

The Charitable Trust Investment Policy (approved March 2022) permits Trustees to make disinvestment from equity holdings to supplement the income from the Fund's other assets. The policy comes into force now that the assets have been transitioned to a new Fund Manager and appropriate governance will be applied during 2025-26.

All funds within the Trusts have been classified as unrestricted funds in terms of the OSCR returns.

The main funding sources for the Charitable Trusts in the year were from Janus Henderson Investors consisting of dividends and interest from UK government bonds, with interest from bank deposits forming a lesser proportion of income. Given the sources, the income is subject to market fluctuation and can change as a result of economic factors. The income distributions associated with LGIM are calculated biannually based on funds held on 31 January and 31 July. As the transition process did not take place until February and March 2025 there was no investment held on 31 January 2025, therefore, no income distributions were receivable from LGIM in the 2024-25 financial year.

In 2024-25, the net movement in funds is an increase of £33,451. The value of investments held increased by £7,038 due to market movements. Balances held at 31 March 2025 are £1,589,821.

STATEMENTS OF RESPONSIBILITIES

The Trustees Responsibilities

The Trustees are required to:-

- Make arrangements for the proper administration of its financial affairs and to secure that the proper officer of the authority has the responsibility for the administration of those affairs (section 95 of the Local Government (Scotland) Act 1973). In this Authority, that officer is the Executive Director Finance and Corporate Services.
- Manage its affairs to secure economic, efficient and effective use of resources and safeguard its assets.
- Ensure the Annual Accounts are prepared in accordance with legislation (The Charitable Accounts (Scotland) Regulations 2006) and the Accounting and Reporting by Charities Statement of Recommended Practice (Charities SORP), and so far as is compatible with that legislation, in accordance with proper accounting practices (section 12 of the Local Government in Scotland Act 2003).

The Executive Director Finance and Corporate Services Responsibilities

The Executive Director Finance and Corporate Services is responsible for the preparation of the Fife Council Charitable Trusts Annual Accounts in accordance with proper practices as required by legislation and as set out in the Charities Accounts (Scotland) Regulations 2006 and the Accounting and Reporting by Charities Statement of Recommended Practice (Charities SORP).

In preparing the Annual Accounts, the Executive Director Finance and Corporate Services has:-

- Selected suitable accounting policies and then applied them consistently
- Made judgements and estimates that were reasonable and prudent
- Complied with legislation
- Complied with the accounting and reporting by charities: Statement of Recommended Practice (in so far as it is compatible with legislation)

The Executive Director Finance and Corporate Services has also:-

- Taken reasonable steps for the prevention and detection of fraud and other irregularities.

I certify that the financial statements give a true and fair view of the financial position of the charities trusts at the reporting date and the transactions of the charities trusts for the year ended 31 March 2025.

NOTES TO THE FINANCIAL STATEMENTS

1 Accounting Policies

General Principles

The financial statements for the period ended 31 March 2025 have been compiled in accordance with Charities Accounts (Scotland) Regulations 2006, Accounting and Reporting by Charities Statement of Recommended Practice Charities SORP (FRS102). They are designed to give a true and fair view of the financial performance and position of the Charitable Trusts and comparative figures for the previous financial year are provided. There are no significant departures from accounting standards other than that outlined specifically below.

The accounting concepts of "materiality" and "going concern" have been considered in the application of accounting policies. In this regard the materiality concept means that information is included where the information is of such significance to justify its inclusion. The going concern concept assumes that the Charitable Trusts will not significantly curtail the scale of its operations. Trustees are of the opinion that the Charitable Trusts are a going concern based on a review of activities undertaken and expected commitments in the coming year and, as such, these financial statements are prepared on a going concern basis.

These accounts have been prepared on an accruals basis, accruals are made for all material debtors and creditors within the accounts and on the basis of the "connected charities" provision outlined in Section 7 of the Charities Accounts (Scotland) Regulations 2006. In addition, the accounts have been prepared under the historic cost convention, other than changes resulting from the revaluation of certain categories of assets.

Income and Expenditure

Income is recognised in the accounts when due and receivable in the period to which it relates.

- Investment Income: This is included in the accounts when due and receivable. Investments were held by Janus Henderson Investors but were moved to Legal & General Investment Management in the year. The investment strategy is to generate income whilst preserving and growing capital.
- Investment Gains and Losses: This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments.

Expenditure is recognised in the accounts when due and payable in the period to which it relates.

- Costs of Generating Funds: The cost of administering the Charitable Trusts is borne by Fife Council.
- Governance Costs: where applicable, include; cost of preparation and examination of statutory accounts, cost of any legal advice to trustees on governance or constitutional matters; and the cost of administering grants.
- Charitable Activities: Decisions regarding the way the charitable income is spent are taken by the relevant Area Committee. These are recognised in the accounts when the grant is paid.

Assets

Fixed assets are listed investments with Legal & General Investment Management held at fair value. Accounting Policies in respect of fixed asset valuation, depreciation and impairment are consistent with that of Fife Council.
