This is a statutory form made under regulation 3 of The Burial (Applications and Register) (Scotland) Regulations 2024 and the information and questions contained in it should not be changed.

This form is used by a local authority to apply for the burial of the remains of an adult or a child where:

- a) a person dies or is found dead within the area of the local authority; and
- b) it appears that no arrangements have been or are being made for the remains to be buried, cremated or hydrolysed.

This application form must be completed by a representative of the local authority. The application is made to the burial authority which is to carry out the burial. The burial authority will need to examine the form to make sure that it contains all of the necessary information. Missing information or information the burial authority does not think is accurate may result in the burial being delayed or refused. The local authority representative applying for the burial is 'the applicant' and has the legal right to apply for the burial under section 87 of the Burial and Cremation (Scotland) Act 2016. If you are unsure about any of the information that is required, or are not sure what any part of the form means, you should speak to staff at the burial authority or to the funeral director who is making the arrangements.

Personal data

The information provided on this form is a legal requirement under the Burial and Cremation (Scotland) Act 2016 and will be processed in line with Data Protection legislation. The data will be held by the burial authority. It will be held securely, in confidence and processed solely for the purpose of carrying out the burial. It will not be shared with any third party other than an inspector of burial, if requested. You have the right to know what data is held about you and you can, by contacting the burial authority in writing, receive a copy of that data. The burial authority is obliged to include in their privacy notice how the information will be held, for how long and how you may make a complaint to the Information Commissioner's Office.
