Location: Balwearie Flint Mill Windygate Kirkcaldy Fife KY2 5UL

Applicant: Mr Steven Robinson 32 Russell Avenue Dunfermline Fife KY12OYX

Agent:

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE ANY EXTERNAL FINISHES ARE APPLIED TO THE DWELLINGHOUSE HEREBY APPROVED, colours and samples of the external finishing materials shall be submitted for the written approval of this Planning Authority. Thereafter, the approved details shall be implemented in full and maintained for the lifetime of the development.
3. PRIOR TO THE OCCUPATION OF THE DWELLINGHOUSE HEREBY APPROVED, there shall be provided within the curtilage 3 parking spaces for vehicles in accordance with current Fife Council Making Fife's Places Appendix G. The parking spaces shall thereafter be retained for the lifetime of the development.
4. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the local planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the local planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

5. THE DWELLINGHOUSE HEREBY APPROVED SHALL NOT BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 4. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement — or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site — all development work on site (save for site investigation work) shall cease immediately and the local planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the local planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement — or any approved revised Remedial Action Statement — a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement — or the approved revised Remedial Action Statement — and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

6. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the local planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority or (b) the local planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

7. The approved dwellinghouse shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt the dwellinghouse shall not be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.
3. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
4. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
5. To provide satisfactory verification that remedial action has been completed to the Planning Authority's satisfaction.
6. To ensure all contamination within the site is dealt with.
7. In the interests of maintaining a mixed and balanced housing stock as required by Policies 1 and 2 of the Adopted FIFEplan (2017).

11 **Application No:** 23/02353/FULL **Date Decision Issued:** 06/10/2023

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to either of the short-term let uses hereby approved coming into effect, visibility splays of 3 metres by 90 metres shall be provided in both directions at the junction of the existing access and the public road. Thereafter these shall be permanently maintained free from any obstructions exceeding a height of one metre above the adjacent road channel levels.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of road safety; to ensure the provision of adequate visibility at the junction of the vehicular access to the site and the public road.

Ward: Cupar**Proposal:** Erection of dwellinghouse**Location:** Hillview Drum Road Cupar Muir Cupar Fife KY15 5RJ**Applicant:** Mr Gerald Koffi 14 Pole Park Road Dundee Scotland DD1 5QS**Agent:** John Wink Midtown of Foudland Glens of Foudland Huntly Scotland AB54 6AR**Application Permitted with Conditions****Approve** subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. No tree works or scrub clearance shall occur on site from 1st March through to 31st August, inclusive, each year unless otherwise agreed in writing with this Planning Authority prior to clearance works commencing. In the event that clearance is proposed between 1st March to 31st August, inclusive, an appropriate bird survey shall be carried out by a Suitably Qualified Ecologist (SQE) within 48 hours prior to works commencing in the proposed clearance area. Confirmation of the survey and ecological permission to proceed with the clearance works shall be submitted to this Planning Authority as proof of Condition Compliance. This proof should usually be in the form of a Site Note/Site Visit Report issued by the Suitably Qualified Ecologist.
3. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 3. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

4. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

5. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted

by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

6. The hereby approved dwelling shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than two unrelated residents living together in a flat. For the avoidance of doubt the residential dwellings hereby approved shall not be used for Housing in Multiple Occupation.
7. Prior to occupation of the proposed dwellinghouse, visibility splays of 2m x 25m shall be provided to the left and to the right at the junction of the vehicular crossing and the public road and thereafter maintained in perpetuity, clear of all obstructions exceeding 0.6 metres above the adjoining carriageway level, in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places.
8. Prior to the occupation of the proposed dwellinghouse, all access driveways shall be constructed at a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles. For the avoidance of doubt, the first two metre length of the driveway to the rear of the public road shall be constructed in a paved material (not concrete slabs).
9. Prior to the occupation of the proposed dwellinghouse, there shall be 2 off-street parking spaces provided for that dwellinghouse within the curtilage of the site in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. The parking spaces shall be retained throughout the lifetime of the development for the purposes of off street parking.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to avoid disturbance during bird breeding seasons.
3. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
4. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
5. To ensure all contamination within the site is dealt with.
6. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted Fife Plan (2017).
7. In the interest of road safety; to ensure the provision of an adequate design layout and construction and to avoid severe gradients which would render the driveways unsuitable for vehicular use and to ensure that no deleterious material is dragged on to the public road.
8. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
9. In the interest of road safety; to ensure the provision of adequate visibility splays at the junctions of the vehicular access and the public road.

Applicant: Mr Kenny Crichton C/O Scotframe Souterford Avenue Inverurie Aberdeenshire Scotland AB51 0ZJ

Agent: Greig Mathieson Scotframe Timber Engineering Ltd Inverurie Business Park Souterford Avenue Inverurie Scotland AB51 0ZJ

Application Refused

Reason(s):

1. In the interests of road safety; the proposed development would be unable to provide the required visibility splays to the South which would be unacceptably obstructed for vehicles leaving the private unadopted access lane onto the C8 public road by permanent features which are outwith the applicants control. Any increase in vehicular traffic over this substandard access would be detrimental to the safety and convenience of all road users. As such, the development is contrary to Policy 13: Sustainable Transport of NPF4 and Policy 1: Development Principles, Policy 3: Infrastructure and Services and Policy 11: Low Carbon of the adopted FIFEplan Fife Local Development Plan (2017) and there are no relevant material considerations of such weight as to justify allowing a relaxation of Fife Council's standards with regard to sustainable transport.
2. In the interests of road safety; the existing unadopted access for the proposed development already serves more than the Fife Council Limit of 5 houses. This access has no passing places and no separate footways. Any increase in vehicular traffic over this private unadopted access and substandard road junction will be to the detriment of road and pedestrian safety. As such, the development is contrary to Policy 13: Sustainable Transport of NPF4 and Policy 1: Development Principles, Policy 3: Infrastructure and Services and Policy 11: Low Carbon of the adopted FIFEplan Fife Local Development Plan (2017) and there are no relevant material considerations of such weight as to justify allowing a relaxation of Fife Council's standards with regard to sustainable transport.
3. In the interests of providing a low carbon development; the proposal fails to demonstrate that low and zero carbon generating technologies will form part of this proposal and thus help reduce carbon dioxide emissions; that construction materials would come from local or sustainable sources; and water conservation measures would be in place etc. The proposal therefore fails to comply with the Adopted FIFEplan (2017) policies 1 and 11, National Planning Framework 4 Policies 1 and 2 and Fife Council's Low Carbon Fife Supplementary Guidance (2019).

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure all contamination within the site is dealt with.

Proposal: Alterations and single storey extension to rear of dwellinghouse with balcony and convert a window into an external door

Location: The Great Lodging 25-27 High Street West Anstruther Fife KY10 3DJ

Applicant: Mr & Ms Iain & Ruth Howieson & Lindley The Great Lodging 25-27 High Street West Anstruther Fife Scotland KY10 3DJ

Agent: Kelly Chan 6 Burnbrae Avenue Bearsden Glasgow Scotland G61 3ES

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. FOR THE AVOIDANCE OF DOUBT, the proposed new balcony door to the rear elevation hereby approved shall be finished in white painted timber traditionally constructed to match the existing house with no visible trickle vents.
3. A traditional mortar mix shall be used for any required repair or repointing works consisting of lime and aggregate (no cement) and if necessary all stone cleaning works shall be carried out manually without any blasting or chemicals.
4. All stone details shall be constructed in natural stone of a colour and coursing to match the existing stonework.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of safeguarding visual amenity; to ensure that the character and appearance of the Category B Listed Building and Anstruther Conservation Area is maintained.
3. In the interest of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area and to avoid damage to the existing stonework.
4. In the interest of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.

Planning Permission Required

Ward: East Neuk And Landward

Proposal: Listed Building Consent for single storey rear extension with balcony, convert window into door with associated internal alterations

Location: The Great Lodging 25-27 High Street West Anstruther Fife KY10 3DJ

Applicant: Mr & Ms Iain & Ruth Howieson & Lindley The Great Lodging 27 High Street West Anstruther Fife KY10 3DJ

Agent: Kelly Chan 6 Burnbrae Avenue Bearsden Glasgow Scotland G61 3ES

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. FOR THE AVOIDANCE OF DOUBT, all existing plaster coving, cornices and skirtings shall be retained and continued around the new partitions.
2. FOR THE AVOIDANCE OF DOUBT, the proposed new balcony door to the rear elevation hereby approved shall be finished in white painted timber traditionally constructed to match the existing house with no visible trickle vents.
3. A traditional mortar mix shall be used for any required repair or repointing works consisting of lime and aggregate (no cement) and if necessary all stone cleaning works shall be carried out manually without any blasting or chemicals.
4. All existing timber panelled doors and surrounds shall be re-used and retained around the new openings.
5. All stone details shall be constructed in natural stone of a colour and coursing to match the existing stonework.

Reason(s):

1. To protect the internal character and appearance of the Category B Listed Building.
2. In the interests of safeguarding visual amenity; to ensure that the character and appearance of the Category B Listed Building and Anstruther Conservation Area is maintained.
3. In the interest of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area and to avoid damage to the existing stonework.
4. To protect the internal character and appearance of this statutory Category B Listed Building.
5. In the interest of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.

Ward: East Neuk And Landward

Proposal: Listed Building Consent for internal and external alterations including porch extension, replacement doors, 3 rooflights, 6 solar panels to roof, formation of juliette balcony, repainting and replacement rainwater goods and installation of air source heat pump to dwellinghouse

Location: 3 School Wynd Pittenweem Anstruther Fife KY10 2NP

Applicant: Mrs Elaine Henry 3 School Wynd Pittenweem Anstruther Fife KY10 2NP

Agent: Muir Walker & Pride Mercat House 1 Church Street St Andrews KY16 9NW

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. FOR THE AVOIDANCE OF DOUBT, no external trickle vents shall be attached to the timber windows and doors hereby approved.
2. All existing plaster cornices, skirtings, panelled doors and surrounds shall be retained and continued around the new partitions.
3. FOR THE AVOIDANCE OF DOUBT, any stone repairs and details shall be constructed in stone of a colour and coursing to match the existing stonework with a traditional mortar mix used consisting of lime and aggregate (no cement) for any necessary repair works.

Reason(s):

1. In the interest of visual amenity; to ensure that the proposed development does not detract from the character and appearance of the Category B Listed Building and Pittenweem Conservation Area.
2. To protect the internal character and appearance of this statutory Category B Listed Building.
3. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character and appearance of the Category B Listed Building and Conservation Area.

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

Ward: East Neuk And Landward**Proposal:** Erection of dwellinghouse, garage and formation of vehicular access (Section 42 application to remove condition 1 of 20/00523/FULL)**Location:** Equestrian Centre Kinaldy Meadows Lathockar St Andrews Fife KY16 8NA**Applicant:** Ms Claire Stephen 13 Station Court Kingskettle KY15 7PE**Agent:****Application Permitted with Conditions****Approve** subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. No development shall commence on site until a suitable Coal Mining Intrusive Site Investigation (including ground gas risk assessment) has been submitted to and approved in writing by the Fife Council as Planning Authority. Where remedial action is recommended in the Intrusive Site Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted to and approved in writing by the local planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Once approved, measures detailed in the Remedial Action Statement will be implemented on site, in full.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

3. IN THE EVENT THAT CONTAMINATION NOT IDENTIFIED BY THE DEVELOPER prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the local planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority or (b) the local planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

4. Prior to the occupation of the dwellinghouse hereby approved, two off-street parking spaces shall be provided within the curtilage of the dwellinghouse, in accordance with current Fife Council Transportation Development Guidelines. The parking spaces shall be retained for the lifetime of the development.
5. Before any works start on site, a scheme of landscaping indicating the siting, numbers, species and heights (at time of planting) of all hedges to be planted, shall be submitted for approval in writing by Fife Council as Planning Authority. The scheme as approved shall be implemented within 3 months of the first planting season following the completion of the development. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as

amended by Section 32 of The Planning (Scotland) Act 2019.

2. In the interest of safely developing potentially unstable land; to ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
3. In the interest of safely developing potentially contaminated land; to ensure all contamination within the site is dealt with.
4. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
5. In the interest of visual amenity; to ensure the development has no significant visual impact on its countryside setting.

Ward: East Neuk And Landward

Proposal: Single storey extension to the rear of dwellinghouse, installation of dormer extension to the front of dwellinghouse and installation of rooflights

Location: 3 South Street Elie Leven Fife KY9 1DN

Applicant: Mr. & Mrs. James Scullion 3 South Street Elie Leven Fife KY9 1DN

Agent: Keith Owens 24 West Nicolson Street Edinburgh Midlothian EH8 9DD

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. A traditional mortar mix shall be used for any required repair or repointing works consisting of lime and aggregate (no cement) and if necessary all stone cleaning works shall be carried out manually without any blasting or chemicals.
3. All stone details shall be constructed in natural stone of a colour and coursing to match the existing stonework.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area and to avoid damage to the existing stonework.
3. In the interest of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.

Date Decision Issued: 27/10/2023

Ward: East Neuk And Landward

Proposal: Listed Building Consent for single storey extension to the rear of dwellinghouse, installation of dormer extension to the front of dwellinghouse and installation of rooflights

Location: 3 South Street Elie Leven Fife KY9 1DN

Applicant: Mr. & Mrs. James Scullion 3 South Street Elie Leven Fife KY9 1DN

Agent: Keith Owens 24 West Nicolson Street Edinburgh Midlothian EH8 9DD

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. A traditional mortar mix shall be used for any required repair or repointing works consisting of lime and aggregate (no cement) and if necessary all stone cleaning works shall be carried out manually without any blasting or chemicals.
2. All existing timber panelled doors and surrounds shall be re-used and retained around the new openings. All historic fireplaces shall also be retained.
3. All stone details shall be constructed in natural stone of a colour and coursing to match the existing stonework.
4. FOR THE AVOIDANCE OF DOUBT, all existing plaster coving, cornices and skirtings shall be retained and continued around the new partitions.

Reason(s):

1. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area and to avoid damage to the existing stonework.
2. To protect the internal character and appearance of this statutory Category C Listed Building.
3. In the interest of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.
4. To protect the internal character and appearance of the Category C Listed Building.

Ward: Glenrothes Central And Thornton

Proposal: Erection of front dormer extensions, front boundary walls and partial change of use of scrub land to form vehicular access with associated access gate, timber fencing and rear parking area (in retrospect)

Location: St Annes And Almara Thornton Road Kirkcaldy Fife KY1 3NP

Applicant: Maeva Homes Ltd Forres Store Forres Drive Kirkcaldy Scotland KY2 6YL

Agent: David Queripel Eden Park House Eden Park Cupar Scotland KY15 4HS

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. PRIOR TO THE OCCUPATION OF THE FIRST DWELLINGHOUSE, visibility splays of 3m x 210m shall be provided to the North and to the South at the junction of the vehicular crossing and the public road and thereafter maintained in perpetuity, clear of all obstructions exceeding 1.05 metres above the adjoining carriageway level, in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places and shall thereafter be retained/ maintained for the lifetime of the development.
3. PRIOR TO THE OCCUPATION OF EACH RESPECTIVE DWELLINGHOUSE FOLLOWING COMPLETION OF THE RENOVATION WORKS, there shall be 3 No. off street parking spaces provided for each respective dwellinghouse within the curtilage of the site in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. The parking spaces shall thereafter be retained throughout the lifetime of the development for the purposes of off street parking.
4. PRIOR TO THE OCCUPATION OF THE FIRST DWELLINGHOUSE FOLLOWING COMPLETION OF THE RENOVATION WORKS, there shall be provided within the curtilage of the site suitable turning areas for vehicles suitable for use by the largest size of vehicle expected to visit or be used by occupants of both premises to allow a vehicle to enter and exit the driveway in a forward gear. The turning area shall be formed outwith the parking areas and shall thereafter be retained throughout the lifetime of the development.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road and pedestrian safety; to ensure the provision of adequate visibility splays at the junctions of the vehicular access and the public road.
3. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
4. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.

Agent: John Raeburn 12 Tanna Drive Glenrothes Fife KY7 6FX

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE THE FIRST OCCUPATION OF THE DEVELOPMENT HEREBY APPROVED, there shall have been provided one no. off-street parking space as shown in the details hereby approved, in accordance with the current Appendix G Transportation Development Guidelines of Fife Council's Making Fife's Places Supplementary Guidance (2018). This parking space shall be retained throughout the lifetime of the development for the purposes of off-street parking.
3. BEFORE THE FIRST OCCUPATION OF THE DEVELOPMENT HEREBY APPROVED, the vehicular crossing of the service strip shall have been carried out in accordance with the current Appendix G Transportation Development Guidelines of Fife Council's Making Fife's Places Supplementary Guidance (2018).
4. Notwithstanding the provisions of the Town and Country Planning (Scotland) Act 1997 (as amended), the Town and Country Planning (Use Classes) (Scotland) Order 1997 (as amended) and the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (as amended) (or any legislation revoking and re-enacting these with or without modification); THE SUBJECTS SHALL ONLY BE USED AS A SHORT-TERM LET IN TERMS OF THE CIVIC GOVERNMENT (SCOTLAND) ACT 1982 (LICENSING OF SHORT-TERM LETS) ORDER 2022 AND NOT OCCUPIED:

I) AS A SOLE OR MAIN RESIDENCE OF ANY OF THE OCCUPANTS; OR

II) FOR A PERIOD EXCEEDING 12 CONTINUOUS WEEKS BY ANY PERSON OR HOUSEHOLD, WITH NO RETURN WITHIN FOUR WEEKS BY THAT PERSON OR HOUSEHOLD; OR

III) AS A BED AND BREAKFAST OR GUESTHOUSE.
5. An up-to-date register of the name of each occupier of the subjects, their length of stay and the address of their main residence shall be maintained and retained on site and made available at all reasonable times to the planning authority.
6. Notwithstanding the provisions of the Town and Country Planning (Scotland) Act 1997 (as amended) and the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (as amended) (or any legislation revoking and re-enacting these with or without modification), no building or other operations shall take place in, on, over or under the service strip (except as hereby approved) without the prior express grant of planning permission.
7. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (Scotland) Order 1992 (as amended) (or any legislation revoking and re-enacting this with or without modification), no windows or other glazing shall be introduced to the first floor rear extension hereby approved without the prior express grant of planning permission.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of road safety; to ensure the provision of adequate off-street parking facilities.

3. In the interests of road safety; to ensure the provision of an adequate design layout and construction.
4. For the avoidance of doubt as to the development hereby approved and to secure proper control over the development in the interests of residential amenity and road safety.
5. In the interests of residential amenity, road safety and the good planning of the area.
6. In the interests of road safety; to ensure the service strip within the site continues to function as a pedestrian refuge.
7. In the interests of residential amenity; to ensure proper control over development with the potential to result in harmful overlooking of neighbouring residential property.

Ward: Glenrothes West And Kinglassie

Proposal: Formation of vehicular access and hardstanding area, and erection of associated retaining walls to front of dwellinghouse(retrospective)

Location: 104 Main Street Kinglassie Lochgelly Fife KY5 0YF

Applicant: Mr Scott Doig 104 Main Street Kinglassie KY4 0YF

Agent:

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

95 **Application No:** 23/01208/FULL

Date Decision Issued: 12/10/2023

Ward: Howe Of Fife And Tay Coast

Proposal: Extension to industrial unit (Class 5) and change of use of agricultural land to form associated hardstanding for yard and car parking including formation of SUDS infrastructure and erection of fencing

Location: Site At The Former Ironworks Station Road Auchtermuchty Fife

Applicant: Mr T Carswell Hycroft Hatton Road Perth Scotland PH2 7DB

Agent: John Robb Clan House Muthill Road Crieff Scotland PH7 4HQ

Application Refused

Reason(s):

1. In the interest of safeguarding the countryside from unjustified development; the large expanse of hardstanding at this location is not acceptable. The proposal would result in the irreversible and unjustified loss of a greenfield site which is designated as Prime Agricultural Land. The proposal would, therefore, be contrary to Policies 1, 5 and 9 of National Planning Framework 4 (2023) and Policies 1 and 7 of the Adopted FIFEplan (2017).

2. A further application(s) for certain matters (Approval of Matters Required by Condition) shall be submitted for the requisite approval of this Planning Authority, together with the detailed plans which shall include:-
 - (a) A location plan of all the site to be developed to a scale of not less than 1:2500, showing generally the site, any existing trees, hedges, walls (or other boundary markers) layout of the roads and sewers, and the position of all buildings;
 - (b) A detailed plan to a scale of not less than 1:500 showing the site contours, the position and width of all proposed roads and footpaths including public access provision, the siting of the proposed buildings, finished floor levels, new walls and fences and details of proposed landscape treatment;
 - (c) Detailed plans, sections and elevations of all buildings proposed to be erected on the site, together with details of the proposed method of drainage and the colour and type of materials to be used externally on walls and roofs;
 - (d) A full survey of all the trees on the site indicating their size and species indicating those to be felled to allow the development to proceed and the number location and species of the replacement planting.
 - e) Details of SuDS and appropriate documentation, including check certificates, in line with Fife Council's Sustainable Drainage Systems (SuDS) - Design Criteria Guidance Note (2022);
 - f) A supporting statement illustrating the developments' compliance with Fife Council's Planning Policy - Making Fife's Places Supplementary Guidance Document (2018) - including reference and proposals relating to the design, layout, green network infrastructure and biodiversity enhancement;
 - g) A sustainability statement illustrating the developments' compliance with Fife Council's Planning Policy - Low Carbon Fife Supplementary Guidance Document (2019). The sustainability statement shall address all of the matters set out in Appendix B of Fife Council's Low Carbon Fife Supplementary Guidance (January 2019).

No work shall be started on site until the written permission of this Planning Authority has been granted for these proposals, or such other details as may be acceptable.
3. BEFORE THE OCCUPATION , the developer shall provide written evidence to the Planning Authority to demonstrate that the following internal sound levels have been achieved in the submitted acoustic report.
 1. The 16hr LAeq shall not exceed 35dB between 07:00 and 23:00 hours when readings are taken in any noise sensitive rooms in the development.
 2. The 8hr LAeq shall not exceed 30dB between 23:00 and 07:00 hours when readings are taken inside any bedroom in the development.
 3. The LAMax shall not exceed 45dB between 23:00 and 07:00hrs when readings are taken inside any bedroom in the development.
 4. The 16hr LAeq shall not exceed 50dB between 07:00 and 23:00 hours when readings are taken in outdoor amenity areas.

If it cannot be demonstrated that the aforementioned sound levels have been achieved, a further scheme

incorporating further measures to achieve those sound levels shall be submitted for the written approval of the Planner. All works comprised within those further measures shall be completed and written evidence to demonstrate that the aforementioned sound levels have been achieved shall be submitted to and approved in writing by the Planner before the development is first brought into use.

4. The proposed dwellinghouses shall be restricted to a single storey in height.
5. The residential units provided on site shall be used solely as residences for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse; or, (c) not more than 2 unrelated residents living together in a flat. For the avoidance of doubt, none of the residential units hereby approved shall be used for Housing in Multiple Occupation.
6. The Accesses to the North and to the East as shown on the Block Plan Drawing dated August 2023 shall be used solely for pedestrian accesses and shall be closed to vehicular traffic by suitable permanent means.
7. The detailed plans required shall show the proposed driveway(s) to be no steeper than a gradient of 1 in 10 for the first 6 metres, and shall have the appropriate vertical curves to ensure adequate ground clearance for vehicles.
8. The detailed plans shall show details of the location, design and construction of passing places, suitable for use by the largest vehicles expected to visit or be used by the occupants of the development. The passing places shall be provided at a spacing of not more than 100 metres apart and shall be inter-visible along the length of the access. The passing places shall be completed and available for use PRIOR TO THE OCCUPATION OF THE DEVELOPMENT.
9. BEFORE THE DEVELOPMENT IS OCCUPIED (i.e. the first dwellinghouse) off-street parking spaces shall be provided in accordance with the current Fife Council Transportation Development Guidelines and thereafter maintained and kept available as such.
10. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fife.gov.uk/contaminatedland

11. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 10. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement - or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site - all development work on site (save for site investigation work) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement - or any approved revised Remedial Action Statement - a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement - or the approved revised Remedial Action Statement - and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

12. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To be in compliance with Section 59 of The Town and Country Planning (Scotland) Act 1997,as amended by the Planning etc (Scotland) Act 2006.
3. In the interest of safeguarding amenity
4. In the interests of safeguarding residential amenity; to ensure that there is no significant detrimental impact on adjacent residential properties.
5. In the interests of maintaining a mixed and balanced housing stock as required by Adopted FIFEplan - Fife Local Development Plan Policy 2 (Homes) or any subsequent revision or amendment of this document.
6. In the interest of pedestrian safety to ensure a safe passage for pedestrians where there is no conflict with vehicular traffic on a narrow lane.
7. In the interests of road safety; to ensure adequate access arrangements adjacent to a road and to avoid the dangers associated with excessive steep accesses.
8. In the interests of road safety; to avoid the possibility of unnecessary reversing of vehicles, particularly onto the public road.
9. To ensure adequate provision of off-street car parking.
10. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
11. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
12. To ensure all contamination within the site is dealt with.

Ward: Howe Of Fife And Tay Coast

Proposal: Change of use from dwellinghouse (Class 9) and agricultural building to commercial brewery (Class 5) with associated plant area and parking and external alterations including re-cladding, re-roofing and installation of new windows/doors and flue (Renewal of 16/02375/FULL)

Location: North Cottage Old Parkhill Parkhill Newburgh Cupar Fife KY14 6HH

Applicant: Mr Roger Howison Parkhill House Abbey Road Newburgh Scotland KY14 6HH

Agent: Wellwood Leslie Chartered Architects David Urquhart Fort Street House 63 Fort Street Broughty Ferry Dundee Scotland DD5 2AB

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to works commencing on site, a renewed bat and bird breeding survey shall be undertaken and submitted to Fife Council as Planning Authority for written approval and all findings and mitigation measures shall be implemented in full during the works hereby approved.
3. In the event that contamination not previously identified by the developer prior to the grant of this planning permission is encountered during the development, all works on site (save for site investigation works) shall cease immediately and the local planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, works on site shall not recommence until either (a) a Remediation Strategy has been submitted to and approved in writing by the local planning authority or (b) the local planning authority has confirmed in writing that remediation measures are not required. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures. Thereafter remediation of the site shall be carried out and completed in accordance with the approved Remediation Strategy.

Following completion of any measures identified in the approved Remediation Strategy a Validation Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the whole site has been remediated in accordance with the approved Remediation Strategy and a Validation Report in respect of those works has been approved in writing by the local planning authority.

4. Prior to the first operations of the brewery facility, there shall be off-street parking spaces provided as shown on Drawing No.LP-00 REV A.
5. Prior to the first operation of the brewery facility, visibility splays of 3m x 140m shall be provided to the North East and to the West at the junction of the vehicular crossing and the C46 public road and thereafter maintained in perpetuity, clear of all obstructions exceeding 1.05 metres above the adjoining carriageway level, in accordance with the current Fife Council Transportation Development Guidelines.
6. Prior to the first operation of the brewery facility, a forward visibility splay of 50m shall be provided for vehicles travelling Eastward towards the development site and turning right in to the development site. The area within the ownership of the applicant and the adopted verges as shown on drawing No LP-00 REV A shall remain clear of all vegetation and trees throughout the lifetime of the development.
7. Prior to the first operation of the brewery facility, the first 6.0 metre length of the access to the rear of the C46 public road channel shall be constructed in a paved material (not concrete slabs).
8. There shall be provided along the length of the site access, a passing place as shown on Drawing No. LP-00 REV A.
9. Prior to the first operation of the brewery facility, there shall be provided within the curtilage of the site a turning area for vehicles suitable for use by the largest size of vehicle expected to visit or be used by occupants of the premises to allow a vehicle to enter and exit the driveway in a forward gear. The turning area shall be formed outwith the parking areas and shall be retained throughout the lifetime of the development.

10. BEFORE ANY WORK STARTS ON SITE, details of the specification and colour of all proposed external finishes shall be submitted for approval in writing by this Planning Authority.
11. Prior to works commencing, a Surface Water Management Plan as set out within Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements (2020) shall be submitted for written by Fife Council as Planning Authority and thereafter undertaken as approved.
12. Prior to work commencing on site, a sustainability statement illustrating the developments' compliance with Fife Council's Planning Policy - Low Carbon Fife Supplementary Guidance Document (2019) shall be provided for written approval by Fife Council as Planning Authority. The sustainability statement shall address all of the matters set out in Appendix B of Fife Council's Low Carbon Fife Supplementary Guidance (January 2019) and be undertaken thereafter as approved.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of the protection of protected species, including bats and nesting birds.
3. To ensure all contamination within the site is dealt with.
4. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
5. In the interest of road safety; to ensure the provision of adequate visibility at the junctions of the vehicular access and the public road.
6. In the interest of road safety; to ensure adequate forward visibility at the junction of the vehicular access and the public road.
7. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
8. In the interest of road safety; to avoid undesirable manoeuvres on and in the vicinity of the public road, and to avoid the possibility of conflict of vehicle movement on the private access track.
9. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
10. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.
11. In the interests of providing appropriate Surface Water Management facilities.
12. To ensure a sustainable / low carbon development in accordance with National Planning Framework 4 (2023), Adopted FIFEplan - Fife Local Development Plan (2017) and to assist in meeting Scotland's climate change targets.

Ward: Howe Of Fife And Tay Coast

Proposal: Change of use from agricultural land for siting of static caravans (up to 5 units) and associated works to provide seasonal agricultural workers accommodation (Retrospective)

Location: Balmalcolm Farm Shore Road Balmalcolm Cupar Fife KY15 7TJ

Applicant: Kettle Produce Ltd Balmalcolm Farm Shore Road Cupar Scotland KY15 7TJ

Agent: Chris Gardner 16 Norwood Newport-on-Tay United Kingdom DD6 8DW

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The 5 accommodation units hereby approved, shall be used solely in relation to the existing business only and shall not be sold or let as a permanent domestic residence or for holiday letting. Should the requirement for their use as seasonal workers accommodation cease for a continuous period of 6 or more months then the units shall be removed and the land made good unless otherwise agreed in writing with this Planning Authority.
2. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to ensure that proper control is retained over the development and that the site does not become permanent residential accommodation.

Agent: Alison Arthur 85 High Street Newburgh Fife KY14 6DA

Refusal/Enforcement Action

Reason(s):

1. In the interests of safeguarding the countryside from unjustified sporadic residential development; the need for a new dwelling at this location has not been justified as the application site lies outwith any defined settlement boundary and the proposal does not meet any of the criteria set out in Policies, 1, 7 or 8 of the Adopted FIFEplan. The proposal is therefore contrary to Policies 1 and 7 of the Adopted FIFEplan (2017) and Policies 29 and 30 of National Planning Framework 4.
2. In the interests of natural heritage/biodiversity; insufficient information by way of the lack of tree report, has been submitted to demonstrate that the proposed development would conserve, restore and enhance the biodiversity of the site. The proposal is therefore considered contrary to Policy 3 of National Planning Framework 4 and Policies 1 and 13 of the adopted FIFEplan (2017).
3. In the interest of road safety; the proposed development would result in the formation of a new vehicular access which has sub-standard visibility in the south direction and this would introduce, or increase, traffic turning manoeuvres which conflict with through traffic movements and so increase the probability of accidents occurring, all to the detriment of road safety. The proposal is therefore considered contrary to Policy 13 of National Planning Framework 4 and Policies 1 and 3 of the Adopted FIFEplan (2017).

Ward: Inverkeithing And Dalgety Bay

Proposal: Installation of 6 No. solar PV panels to front roof and replace 12 No. windows to dwellinghouse

Location: Hampton Cottage Battery Road North Queensferry Inverkeithing Fife KY11 1JZ

Applicant: Mr Neil Price Hampton Cottage Battery Road North Queensferry Inverkeithing Fife KY11 1JZ

Agent: Euan Millar Signal Tower Battery Road North Queensferry KY11 1JU

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. FOR THE AVOIDANCE OF DOUBT, the proposed windows hereby approved shall be timber framed. The windows to the first floor and to the ground floor to the rear (north) elevation will be vertically sliding sash and case windows in a one over one design.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of safeguarding visual amenity; to ensure that the finishing materials are appropriate to the character and appearance of North Queensferry.

Proposal: Formation of hardstanding and erection of retaining walls

Location: Johnston Hall 5 Church Street Inverkeithing Fife KY11 1LG

Applicant: Mr Paul O'Donoghue Johnston Hall 5 Church Street Inverkeithing Fife KY11 1LG

Agent:

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. Prior to the driveway coming into use, it shall be constructed at a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles. The first two metre length of the driveway to the rear of the public footway shall be constructed in a paved material.
2. Prior to the driveway coming into use, the retaining wall will be painted to match the existing boundary wall.
3. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In the interest of road safety.
2. In the interests of visual amenity; to ensure that the external finishing materials blend in within the curtilage of this listed building.
3. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

Ward: Inverkeithing And Dalgety Bay
Proposal: Erection of three dwellinghouses and formation of parking and turning areas
Location: Chapel Farm Chapel Fife
Applicant: Mr and Mrs Katie and Colin Izat Heatherknowe Blairs Aberdeen Scotland AB12 5YA
Agent: Eilidh Izat 12B Geocrab Isle of Harris Scotland HS3 3HB

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE ANY EXTERNAL FINISHES ARE APPLIED TO THE DEVELOPMENT HEREBY APPROVED, colours and samples of the external finishing materials shall be submitted for the written approval of this Planning Authority. Thereafter, the approved details shall be implemented in full and maintained for the lifetime of the development.
3. PRIOR TO EACH RESPECTIVE VEHICULAR ACCESS COMING INTO USE, the construction of the vehicular crossing of the roadside verge shall be carried out in accordance with the current Fife Council Making Fifes Places Appendix G. Thereafter these shall be retained and maintained for the lifetime of the development.
4. PRIOR TO EACH RESPECTIVE VEHICULAR ACCESS COMING INTO USE, each access driveway shall have a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles. The first six metre length of each driveway measured from the public road channel line shall be constructed in a bound surface. Thereafter the constructed driveways shall remain for the lifetime of the development.
5. PRIOR TO THE OCCUPATION OF EACH RESPECTIVE DWELLINGHOUSE, there shall be provided within the curtilage of the site 2 parking spaces per dwelling in accordance with current Fife Council Making Fifes Places Appendix G and as per the layout shown on Drawing No (P) S-01 Rev C (Fife Council Reference 03B). The parking spaces shall thereafter be retained for the lifetime of the development.
6. PRIOR TO THE OCCUPATION OF EACH RESPECTIVE DWELLINGHOUSE, visibility splays 2.4m x 43m shall be provided and maintained clear of all obstructions exceeding 600 millimetres in height above the adjoining road channel level, at the junction of the vehicular accesses and the public road, in accordance with the current Fife Council Making Fifes Places Appendix G. The visibility splays shall thereafter be for the lifetime of the development.
7. Prior to the occupation of the first dwellinghouse, confirmation that the approved SUDS has been constructed in line with current best practice shall be submitted to Fife Council. The required confirmation shall comprise the submission of a completed and signed Appendix 6 of Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements.
8. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.
9. BEFORE ANY WORKS COMMENCE ON SITE, protective fencing shall be installed around the Sycamore tree and the trees to the North-West as shown on the submitted plans. Thereafter, the fencing shall remain until completion of all building works associated with the approved dwellinghouses.
10. FOR THE AVOIDANCE OF DOUBT, the recommendations provided within the approved Bat and Breeding Bird Survey dated May 2023 (Fife Council Reference 32) shall be implemented in full unless otherwise agreed in writing with this Planning Authority.
11. NO DEVELOPMENT SHALL COMMENCE ON SITE until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the local planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by

the local planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

12. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition 11. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement — or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site — all development work on site (save for site investigation work) shall cease immediately and the local planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the local planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement — or any approved revised Remedial Action Statement — a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement — or the approved revised Remedial Action Statement — and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

13. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the local planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority or (b) the local planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

14. The dwellinghouses hereby approved shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in the dwellinghouse. For the avoidance of doubt none of the dwellinghouses hereby approved shall be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.
3. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
4. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
5. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
6. In the interest of road safety; to ensure the provision of adequate visibility at the junctions of the vehicular

access with the public road.

7. To ensure the approved SUDS infrastructure has been constructed in accordance with the approved plans and in accordance with current best practice.
8. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.
9. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect existing trees in the long term.
10. In the interests of safeguarding the protection of bats.
11. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
12. To provide satisfactory verification that remedial action has been completed to the Planning Authority's satisfaction.
13. To ensure all contamination within the site is dealt with.
14. In the interests of maintaining a mixed and balanced housing stock as required by Policies 1 and 2 of the Adopted FIFEplan 2017.

2. BEFORE ANY EXTERNAL FINISHES APPLIED TO THE REPLACEMENT SHOPFRONTS HEREBY APPROVED, detailed samples of the specification and colour of their respective proposed external finishes shall be submitted for approval in writing by this Planning Authority. Thereafter, the approved details shall be implemented in full and retained/ maintained for the lifetime of the development.
3. PRIOR TO THE OPERATION OF THE CAFE AND OCCUPATION OF THE FLATTED DWELLING HEREBY APPROVED, the noise mitigation/ recommendation measures specified in sections 6 and 7 of the approved noise impact assessment report dated 10th July 2023 (Fife Council Reference 16) shall be carried out in full and thereafter retained and maintained for the lifetime of the development unless otherwise agreed in writing with Fife Council as Planning Authority. FOR THE AVOIDANCE OF DOUBT, this shall include the recommended works of the upper floor.
4. UNLESS OTHERWISE AGREED IN WRITING WITH FIFE COUNCIL AS PLANNING AUTHORITY, noise emitted from the infrastructure of the site shall not exceed NR 30 when measured in any living space of the residential properties nearby, or NR25 in any bedroom of the residential properties nearby.
5. PRIOR TO THE OCCUPATION OF THE FLATTED DWELLING HEREBY APPROVED, the developer shall provide written evidence to the Planning Authority to demonstrate that the following internal sound levels have been achieved in flat above the café:

1 - The 16hr LAeq shall not exceed 35dB between 0700 and 2300 hours when readings are taken in any noise sensitive rooms in the development.

2 - The 8hr LAeq shall not exceed 30dB between 2300 and 0700 hours when readings are taken inside any bedroom in the development.

3 - The LAMax shall not exceed 45 dB between 2300 and 0700hrs when readings are taken inside any bedroom in the development.

6. The flatted dwelling hereby approved shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 2 unrelated residents living together in a flat. For the avoidance of doubt the flatted dwelling hereby approved shall not be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity, to ensure the development makes a positive contribution to the existing streetscape.

Applicant: Mr Tristone Construction Ltd Tristone Unit Hendry Road Hayfield Industrial Estate Kirkcaldy United Kingdom KY2 5DS

Agent: Gaynor Ross 126 Clark Avenue Musselburgh United Kingdom EH21 7FE

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. PRIOR TO THE OCCUPATION OF THE FIRST INDUSTRIAL UNIT, the construction of any widening of the existing vehicular crossing of the footway shall be carried out in accordance with the current Fife Council Making Fife's Places Appendix G.
2. BEFORE ANY WORKS COMMENCE ON SITE, a street lighting design drawing showing the proposed new location for the street lighting column shall be submitted for approval by Fife Council, as Planning Authority. Once approved, the new street lighting column shall be installed and be fully operational, as per the approved design shown on the relevant plan, prior to the occupation of the first industrial unit.
3. PRIOR TO THE OCCUPATION OF THE FIRST INDUSTRIAL UNIT, all access driveways shall be constructed at a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles.
4. PRIOR TO THE OCCUPATION OF EACH RESPECTIVE INDUSTRIAL UNIT HEREBY APPROVE, 2 off-street parking spaces per unit shall be provided in accordance with the current Fife Council Parking Standards contained within the current Fife Council Making Fife's Places Appendix G and as per the layout shown on approved Drawing No 2208 (PL) 03 A (Fife Council Reference 03). The parking spaces shall thereafter be retained for the lifetime of the development.
5. PRIOR TO THE OCCUPATION OF THE FIRST INDUSTRIAL UNIT; confirmation that the approved SUDS has been constructed in line with current best practice shall be submitted to Fife Council. The required confirmation shall comprise the submission of a completed and signed Appendix 6 of Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements.
6. The SUDS and drainage infrastructure hereby approved shall be constructed/installed contemporaneously with the build out of the development hereby approved and shall be fully operational PRIOR TO THE OCCUPATION OF THE FIRST INDUSTRIAL UNIT; unless otherwise agreed in writing. Thereafter shall be retained and maintained for the lifetime of the development.
7. BEFORE ANY WORKS COMMENCE ON SITE; a scheme of intrusive site investigation works shall be carried out to establish the risk proposed to the development hereby approved by past shallow coal mining activity. The results of these investigations along with details of any required remedial works and/or mitigation measures to address land instability shall be submitted in a report for the prior written approval by Fife Council as Planning Authority in consultation with The Coal Authority. Thereafter any identified and agreed remedial works and/or mitigation measures shall be undertaken in full BEFORE ANY DEVELOPMENT WORKS COMMENCE ON SITE. The intrusive site investigations and remedial works shall be carried out in accordance with the relevant authoritative UK guidance.
8. PRIOR TO THE OCCUPATION OF THE FIRST INDUSTRIAL UNIT, a signed statement or declaration prepared by a suitably competent person confirming that the site is, or has been made, safe and stable for the approved development shall be completed then submitted to and approved in writing by Fife Council as Planning Authority. This document shall confirm the methods and findings of the intrusive site investigations and the completion of any remedial works and/or mitigation necessary to address the risks posed by past coal mining activity.
9. NO DEVELOPMENT SHALL COMMENCE ON SITE, until the risk of actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study) has been submitted by the developer to and approved in writing by the local planning authority. Where further investigation is recommended in the Preliminary Risk Assessment, no development shall commence until a suitable Intrusive

Investigation (Phase II Investigation Report) has been submitted by the developer to and approved in writing by the local planning authority. Where remedial action is recommended in the Phase II Intrusive Investigation Report, no development shall commence until a suitable Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures.

All land contamination reports shall be prepared in accordance with CLR11, PAN 33 and the Council's Advice for Developing Brownfield Sites in Fife documents or any subsequent revisions of those documents. Additional information can be found at www.fifedirect.org.uk/contaminatedland.

10. NO BUILDING SHALL BE OCCUPIED UNTIL remedial action at the site has been completed in accordance with the Remedial Action Statement approved pursuant to condition. In the event that remedial action is unable to proceed in accordance with the approved Remedial Action Statement — or contamination not previously considered in either the Preliminary Risk Assessment or the Intrusive Investigation Report is identified or encountered on site — all development work on site (save for site investigation work) shall cease immediately and the local planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development works shall not recommence until proposed revisions to the Remedial Action Statement have been submitted by the developer to and approved in writing by the local planning authority. Remedial action at the site shall thereafter be completed in accordance with the approved revised Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement — or any approved revised Remedial Action Statement — a Verification Report shall be submitted by the developer to the local planning authority.

Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement — or the approved revised Remedial Action Statement — and a Verification Report in respect of those remedial measures has been submitted to and approved in writing by the local planning authority.

11. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

12. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
13. BEFORE ANY EXTERNAL FINISHES APPLIED TO THE INDUSTRIAL UNITS (CLASS 5) HEREBY APPROVED, details of their respective colour shall be submitted for approval in writing by this Planning Authority. Thereafter, the approved details shall be implemented in full and retained/ maintained for the lifetime of the development.

Reason(s):

1. In the interests of visual amenity, to ensure the development makes a positive contribution to the existing streetscape.
2. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
3. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
4. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
5. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.

6. To ensure the approved SUDS infrastructure has been constructed in accordance with the approved plans and in accordance with current best practice.
7. To ensure the effective management of surface water and to ensure that the required drainage works are carried out and operational at the required stage of the development.
8. To avoid unacceptable risks to human health and the environment.
9. To avoid unacceptable risks to human health and the environment.
10. To ensure potential risk arising from previous land uses has been investigated and any requirement for remedial actions is suitably addressed.
11. To provide satisfactory verification that remedial action has been completed to the planning authority's satisfaction.
12. To ensure all contamination within the site is dealt with.
13. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

Ward: Leven, Kennoway And Largo

Proposal: Change of use from agricultural land to form equestrian centre and livery including erection of associated buildings and formation of car parking with access and ancillary drainage and landscaping works

Location: Montrave Home Farm Montrave Kennoway Fife

Applicant: Mrs June MacGeachy Montrave Home Farm Montrave Kennoway United Kingdom KY8 5NZ

Agent: Pippa Gardner 16 Norwood Newport On Tay United Kingdom DD6 8DW

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The approved development shall adhere to all bio-diversity measures identified within the report prepared by Littlewood Land Care Dated the 13th February 2023, unless as agreed in writing by Fife Council as Planning Authority.
3. No tree works or scrub clearance shall occur on site from 1st March through to 31st August in any year unless otherwise agreed in writing with this Planning Authority prior to clearance works commencing. In the event that clearance is proposed between 1st March to 31st August, a bird survey shall be carried out by a suitably qualified ecologist covering the proposed clearance area and shall be submitted to and approved in writing by this Planning Authority before those clearance works commence. Once written approval has been given the works themselves should be carried out within a specified and agreed timescale. For the avoidance of doubt the survey must be carried out no longer than 24 hours prior to the clearance works commencing.
4. Prior to the development coming into use for the first time, visibility splays 4.5 metres x 210 metres shall be provided and maintained clear of all obstructions exceeding 900mm in height above the adjoining road channel level, at the junction of the vehicular access and the A916, in accordance with the current Fife Council Transportation Development Guidelines. The visibility splays shall be retained through the lifetime of the development. For the avoidance of doubt, from a drivers eye height of 1.05 metres at the x-distance (4.5 metres from the A916 channel line) all points within the visibility triangle (210 metres in both directions from the centreline of the vehicular access) shall be intervisible, which may result in objects less than 900mm high having to be removed/lowered.
5. Prior to the development coming into use for the first time, the first 20 metres of the vehicular access (measured from the A916 channel line) shall be widened to a minimum of 5.5 metres. The widened vehicular access and existing junction bellmouth shall be reconstructed with a bound finish (DBM or HRA).
6. Prior to the development coming into use for the first time, the existing Montrave Farm hail and ride bus stops shall be upgraded to formal bus stops with the provision of bus stop flags, poles, boarders and hardstanding (minimum of 2 metres x 5 metres). Work shall include the provision of a 2 metres wide footway between the vehicular access and westbound stop and a dropped kerb pedestrian crossing point to the eastbound stop, all in accordance with the current Fife Council Transportation Development Guidelines. A detailed layout shall be submitted for the approval of Fife Council and thereafter implemented in accordance with the approved drawing
7. Prior to the development coming into use for the first time, the parking areas and passing place as shown on documents 03 and 04 shall be completed and available for use.
8. Surface water management should comply Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements (2020).
- 9.
10. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.
11. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site

investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

12. BEFORE THE FACILITIES HEREBY APPROVED BECOME OPERATIONAL, details of the proposed external lighting (including the proposed light spillage zones) shall be submitted for the prior written approval of Fife Council as Planning Authority. Thereafter the agreed external lighting scheme shall be installed and maintained as such for the lifetime of the development.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure appropriate bio-diversity measures are undertaken.
3. In order to avoid disturbance during bird breeding seasons.
4. In the interest of road safety; to ensure the provision of adequate visibility at the junction of the vehicular access with the A916.
5. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
6. In the interest of road safety; to ensure the provision of adequate public transport facilities and design layout and construction.
7. To ensure the provision of adequate off-street parking and passing facilities.
8. In the interests of providing adequate drainage.
9. In the interests of visual amenity and to ensure a satisfactory standard of local environmental quality.
10. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.
11. To ensure all contamination within the site is dealt with.
12. In the interests of residential and visual amenity; to ensure that the proposed development does not detract from the character and appearance of the area and protects the amenity of nearby residents and sensitive receptors.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure all contamination within the site is dealt with.

Ward: Lochgelly, Cardenden And Benarty

Location: Capledrae Bungalow Lochgelly Fife KY5 0HQ
Applicant: Mr & Mrs Lloyd & Pauline Clemison Capledrae Bungalow By Cardenden Lochgelly United Kingdom KY5 0HQ
Agent: Stewart Davidson 108 St Clair Street Kirkcaldy United Kingdom KY1 2BD

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to completion of the development confirmation that the approved SUDS has been constructed in line with current best practice shall be submitted to Fife Council. The required confirmation shall comprise the submission of a completed and signed Appendix 6 of Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements.
3. The SUDS and drainage infrastructure hereby approved shall be constructed/installed contemporaneously with the build out of the development hereby approved and shall be fully operational prior to completion of the development unless otherwise agreed in writing. Thereafter shall be retained and maintained for the lifetime of the development.
4. Prior to approval being granted, revised plans showing the provision of the full extents of the 4.5m x 210m visibility splays to both the nearside and far side road channel lines of the public road in both directions shall be submitted for approval by Fife Council as Planning Authority. All obstructions within these splays shall be maintained at a height not exceeding 1 metre above the adjoining road channel level and the plans shall identify any existing trees, bushes and other foliage that must be removed or cut back to ensure these splays are provided and retained for the lifetime of the development.
5. Prior to the dog exercise business use commencing, vehicular access to the proposed dog exercise facility and Capledrae Bungalow shall solely be via the new vehicular access to the site for the lifetime of the development. For the avoidance of doubt, the existing western vehicular access shall only serve Capledrae Cottage and shall not be permitted to serve either the proposed dog exercise facility or Capledrae Bungalow for the lifetime of the development
6. Prior to the dog exercise business use commencing, the construction of the rural commercial style vehicular crossing of the verge shall be carried out in accordance with the current Fife Council Making Fife's Places Appendix G
7. Prior to the dog exercise business use commencing, the new access driveway shall be constructed at a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles. The first two metre length of the driveway to the rear of the public roadside verge shall be constructed in a paved material
8. Prior to the dog exercise business use commencing, the turning and off-street parking areas shown on Drawing No (once revised plan has been submitted as per condition 3.1 above, add detail of number and revision of plan) shall be constructed and available for use for customers. The parking and turning areas shall be retained for the lifetime of the development

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To ensure the approved SUDS infrastructure has been constructed in accordance with the approved plans and in accordance with current best practice.
3. To ensure the effective management of surface water and to ensure that the required drainage works are

carried out and operational at the required stage of the development.

4. In the interest of road safety; to ensure the provision of adequate junction visibility splays.
5. In the interest of road safety; to ensure the provision of an adequate design layout and adequate junction visibility splays.
6. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
7. In the interest of road safety; to ensure the provision of an adequate design layout and construction.
8. In the interest of road safety; to ensure the provision of an adequate turning facilities and off-street parking.

Applicant: Ms H O'Harrow Hillcrest Blebocraigs Blebocraigs UK KY15 5UQ
Agent: David Dow Hillcrest Studio Hillcrest Blebocraigs UK KY15 5UQ

Application Refused

Reason(s):

1. In the interests of safeguarding the countryside and greenbelt from unplanned, sporadic and unjustified residential development; the need for a residential development in this location is not considered justified as the application site lies outwith any defined settlement boundary in terms of the Adopted FIFEplan - Fife Local Development Plan (2017) and therefore the proposal does not meet any of the criteria set out in Policies 1 (Development Principles), 8 (Houses in the Countryside), and 9 (Greenbelt); and does not comply with National Planning Framework 4 (2023) Policies 8 (Greenbelts) and 17 (Rural Homes).
2. In the interests of securing adequate road safety levels, the proposed private unadopted access is unsuitable for serving this development of the type as the visibility splays required to provide adequate sightlines required for this proposed access cannot be provided in this location. This would be detrimental to the safety and convenience of pedestrians and road users. It is therefore considered that the proposal would have a significant detrimental impact on road safety and would therefore be contrary to Policy 13 of National Planning Framework 4; Policies 1, 3 and 10 of the Adopted FIFEplan - Fife Local Development Plan (2017); and, Appendix G (Transportation Development Guidelines) of Making Fife's Places Supplementary Guidance (2018).

Agent: Richard Keating 149 Market Street, St Andrews Scotland KY16 9PF

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE ANY WORKS START ON SITE, the developer shall secure the implementation of a programme of archaeological work in accordance with a detailed written scheme of investigation which has been submitted by the developer and approved in writing by this Planning Authority.
3. BEFORE WORKS COMMENCE ON SITE a scheme designed to mitigate the effects on sensitive premises/areas (i.e. neighbouring properties and highway) of dust, noise and vibration from the construction of the proposed development shall be submitted to the Planning Authority for approval. Upon approval all matters detailed in the scheme shall be carried out in accordance with the scheme unless otherwise agreed in writing by the Planning Authority
4. The total noise from all plant, machinery or equipment shall be such that any associated noise complies with NR 25 in bedrooms, during the night; and NR 30 during the day in all habitable rooms, when measured within any noise sensitive property, with windows open for ventilation.

For the avoidance of doubt, daytime shall be 0700-2300hrs and night-time shall be 2300- 0700hrs.

5. Each residential unit provided on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt none of the residential units hereby approved shall be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to safeguard the archaeological heritage of the site and to ensure that the developer provides for an adequate opportunity to investigate, record and rescue archaeological remains on the site, which lies within an area of archaeological importance.
3. In the interests of safeguarding the amenity of adjoining and nearby residents.
4. To protect the residential amenity of the surrounding area
5. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEplan 2017.

Applicant: Mr & Mrs P Graham 45 Kinnessburn Road St Andrews Fife KY16 8AD

Agent:

Application Permitted - no conditions

166 **Application No:** 23/01603/FULL

Date Decision Issued: 13/10/2023

Ward: St. Andrews

Proposal: External alterations including formation of access ramp and installation of replacement door

Location: Whey Pat 1 Bridge Street St Andrews Fife KY16 9EX

Applicant: Greene King Brewing And Retailing Ltd Westgate Brewery Bury St Edmunds Suffolk UK IP33 1QT

Agent: Blair Hardie 108 Saint Clair Street Kirkcaldy United Kingdom KY1 2BD

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. FOR THE AVOIDANCE OF DOUBT, during operational hours the outward opening gate shall be secured against the existing fence line in a fixed open position to avoid encroachment onto/over the adjoining public footway. Outwith operational hours the gate shall remain in a fixed closed position.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of pedestrian safety; to avoid conflict between pedestrians and the proposed gate opening.

Ward: St. Andrews

Proposal: Change of use from retail (Class 1A) to cafe (Class 3)

Location: Ground Floor 131 Market Street St Andrews Fife KY16 9PF

Applicant: Black Sheep Coffee Bar Limited 81 Southwark Street London United Kingdom SE1 0HX

Agent: Phil Pritchett PO Box 8052 Edinburgh United Kingdom EH16 5ZF

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Notwithstanding the terms of Class 3 of The Town and Country Planning (Use Classes) (Scotland) Order 1997, the premises shall only be used as a coffee shop for the preparation and sale of coffee, teas, soft drinks, paninis, toasties, sandwiches, soup, rolls and bakery products and similar goods where their preparation does not give rise to unacceptable cooking levels e.g. frying/deep fat frying which would be detrimental to the amenity of the adjoining properties. FOR THE AVOIDANCE OF DOUBT, frying/deep fat frying is hereby NOT PERMITTED.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To protect the residential amenity of the surrounding area

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Each residential unit provided on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt none of the residential units hereby approved shall be used for Housing in Multiple Occupation.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEplan 2017.

Ward: St. Andrews
Proposal: Erection of student accommodation (241 units) with associated accesses, parking, landscaping and infrastructure (Approval of Matters Specified in Conditions 2 (Parts c, g, h and i), 3 (application requirements), 7 (landscaping), 8 (archaeology) and 20 (DAS) of consent 22/00990/PPP)
Location: Madras College Kilrymont Road St Andrews Fife KY16 8DE
Applicant: Scotsman Developments Ltd Hamilton House 70 Hamilton Drive Glasgow United Kingdom G12 8DR
Agent: David Wardrop Cupar Business Centre East Road Cupar Scotland KY15 4SX

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. PRIOR TO THE COMMENCEMENT OF WORKS, details of the following shall be submitted for the prior written approval of Fife Council as Planning Authority and shall be carried out in full in accordance with the approved details.
 - (a) A Construction Method Statement, including an Environmental Protection Plan and Scheme of Works relating to construction activities on site;
 - (b) A Public Art Strategy for the site in accordance with Making Fife's Places Supplementary Guidance, or as superseded;
3. PRIOR TO THE COMMENCEMENT OF WORKS, archaeological fieldwork shall be undertaken in line with the approved written scheme of investigation. Upon completion of the fieldwork, a data structure report (DSR) shall be submitted and approved in writing by this Planning Authority
4. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED by the developer prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the planning authority shall be notified in writing within 2 working days. Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the planning authority or (b) the planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.
5. All works done on or adjacent to existing public roads shall be constructed in accordance with the current Fife Council Transportation Development Guidelines.
6. Prior to occupation of the first student flat, the agreed off-street car parking and 135 secure cycle parking spaces shall be provided. The parking spaces shall be retained through the lifetime of the development, unless otherwise agreed by Fife Council as Planning Authority.
7. No works shall be undertaken which in any way impinge or obstruct alleged or vindicated rights of way on or adjacent to the application site, including during construction, unless otherwise agreed in writing with Fife Council as Planning Authority.
8. PRIOR TO THE COMMENCEMENT OF WORKS, flooding and drainage information shall be approved in writing by Fife Council as Planning Authority. Thereafter, the development shall be carried out in the accordance with these approved details.

9. PRIOR TO THE COMMENCEMENT OF WORKS, a detailed specification, including trade names where appropriate, of the proposed external materials shall be submitted to and approved in writing by the Planning Authority. A full-size sample panel of all facade components should be erected if requested at a location agreed with the Planning Authority.
10. To minimise noise disturbance at nearby premises, activities relating to the erection, construction, alteration, repair or maintenance of buildings, structures or roads shall not take place outside the hours of: 08.00- and 18.00-hours Mondays to Fridays 08.00 and 13.00hours Saturdays with no working Sundays or Public Holidays In some cases, different site-specific hours of operation may be appropriate. Under the Control of Pollution Act 1974, Section 60 Fife Council Protective Services can control noise from construction sites by serving a notice. This notice can specify the hours during which work may be carried out. Due to the proximity of existing residential properties, I would request that the applicant submit a Scheme of Works designed to mitigate the effects on sensitive premises/areas (i.e. neighbouring properties and road) of dust, noise and vibration from the construction phase of the proposed development. The use of British Standard BS 5228: Part 1: 2009 "Noise and Vibration Control on Construction and Open Sites" and BRE Publication BR456 - February 2003 "Control of Dust from Construction and Demolition Activities" should be consulted.
11. The total noise from all plant, machinery or equipment shall be such that any associated noise complies with NR 25 in bedrooms, during the night; and NR 30 during the day in all habitable rooms, when measured within any noise sensitive property, with windows open for ventilation. For the avoidance of doubt, day time shall be 0700-2300hrs and night time shall be 2300-0700hrs.
12. The premises shall not be brought into use until all works specified in the approved Noise Assessment have been carried out in full and such works shall be thereafter retained.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To specify the supporting information required for an application for approval of matters by condition.
3. In order to safeguard the archaeological heritage of the site.
4. To ensure all contamination within the site is dealt with.
5. In the interests of road safety.
6. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
7. To ensure that all existing rights of way are protected and not adversely affected as a result of the development.
8. To ensure the effective management of surface water and to ensure that the required drainage works are carried out and operational at the required stage of the development.
9. In the interests of visual amenity; to ensure that the external finishing materials are appropriate to the character of the area.
10. In the interests of safeguarding the amenity of noise sensitive receptors from the effects of noise.
11. In the interests of safeguarding the amenity of noise sensitive receptors from the effects of noise.
12. In the interests of safeguarding the amenity of noise sensitive receptors from the effects of noise.

Location: Botanic Gardens Canongate St Andrews Fife KY16 8RT

Applicant: Mr Harry Watkins St Andrews Botanic Garden Cannongate St Andrews Scotland KY16 8RT

Agent: Richard Keating 149 Market Street St Andrews Fife KY16 9PF

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE ANY WORKS START ON SITE, the developer shall submit, details and specifications of the protective measures necessary to safeguard the trees (not shrubs) on the site during development operations. This Planning Authority shall be formally notified in writing of the completion of such measures and no work on site shall commence until the Planning Authority has confirmed in writing that the measures as implemented are acceptable. The protective measures shall be retained in a sound and upright condition throughout the demolition/development operations and no building materials, soil or machinery shall be stored in or adjacent to the protected area, including the operation of machinery.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of visual amenity and the protection of local ecology; to ensure that all trees worthy of retention are satisfactorily protected before and during construction works and to avoid disturbance during bird breeding seasons.

Applicant: Mrs Marianne Dee 11-13 King Street Newport on Tay Scotland DD6 8BN
Agent: Jon Law 68 Cooper Drive Perth United Kingdom PH1 3GN

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 5 years from the date of this permission.
2. A further application(s) for certain matters (Approval of Matters Required by Condition) shall be submitted for the requisite approval of this Planning Authority, together with the detailed plans which shall include:-
 - (a) A location plan of all the site to be developed to a scale of not less than 1:2500, showing generally the site, any existing trees, hedges, walls (or other boundary markers) layout of the roads and sewers, and the position of all buildings;
 - (b) A detailed plan to a scale of not less than 1:500 showing the site contours, the position and width of all proposed roads and footpaths including public access provision, the siting of the proposed buildings, finished floor levels, new walls and fences and details of proposed landscape treatment;
 - (c) Detailed plans, sections and elevations of all buildings proposed to be erected on the site, together with details of the proposed method of drainage and the colour and type of materials to be used externally on walls and roofs;
 - (d) Details of the existing and proposed ground levels as well as the finished floor levels all related to a fixed datum point. The details shall specify the extent and height of any areas of mounding;
 - (e) A supporting statement illustrating the developments' compliance with Fife Council's Planning Policy - Making Fife's Places (2015) - including reference and proposals relating to the design, layout, green network infrastructure and biodiversity enhancement. No work shall be started on site until the written permission of this Planning Authority has been granted for these proposals, or such other details as may be acceptable.
 - (f) Detailed drawings illustrating the developments' compliance with Fife Council's Planning Customer Guidelines on Daylight and Sunlight, Window to Window distances, Garden Ground requirements and car parking requirements, shall be submitted.
 - (g) A sustainability statement illustrating the developments' compliance with Fife Council's Planning Policy - Low Carbon Fife Supplementary Guidance Document (2019). The sustainability statement shall address all of the matters set out in Appendix B of Fife Council's Low Carbon Fife Supplementary Guidance (January 2019);
 - (h) A surface water management plan as set out within Fife Council's Design Criteria Guidance on Flooding and Surface Water Management Plan Requirements (2020).
3. Prior to the occupation of the proposed dwellinghouse, all access driveways shall be constructed at a gradient not exceeding 1 in 10 (10%) and shall have appropriate vertical curves to ensure adequate ground clearance for vehicles. For the avoidance of doubt, the first two metre length of the driveway to the rear of the public footway/road/verge shall be constructed in a paved material (not concrete slabs).
4. Prior to the occupation of the proposed dwellinghouse, the first two metre length of the full width of the driveway to the rear of the public footway/road/verge shall be constructed in a paved material (not concrete slabs).
5. Prior to the occupation of the proposed dwellinghouse, there shall be off-street parking spaces provided for that dwellinghouse within the curtilage of the site in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places. The parking spaces shall be retained throughout the lifetime

of the development for the purposes of off-street parking.

6. Prior to the occupation of the proposed dwellinghouse, there shall be provided within the curtilage of the site, a turning area for a car to allow all cars making use of the access driveway to enter and exit the driveway in a forward gear. The turning area shall be formed outwith the parking area and shall be retained throughout the lifetime of the development. The proposed parking bays and aisle width will require to be of appropriate dimensions to allow for both the off-street parking and turning manoeuvres to take place.
7. Prior to any works starting on site, visibility splays of 2m x 30 m shall be provided to the left and to the right at the junction of the vehicular crossing and the public road and thereafter maintained in perpetuity, clear of all obstructions exceeding 1.05/0.6 metres above the adjoining carriageway level, in accordance with the current Appendix G (Transportation Development Guidelines) of Making Fife's Places.
8. Where a garage is to be considered for inclusion in the required off street parking provision, the minimum internal garage dimensions to accommodate a single off-street parking space, shall be 3m x 7m. Anything smaller than this will not be considered as an off-street parking space.
9. Prior to the occupation of the proposed dwellinghouse and for the avoidance of doubt, any gates to the proposed dwelling shall not open onto the public footpath.
10. Each residential unit provided on the site shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt none of the residential units hereby approved shall be used for Housing in Multiple Occupation.
11. To minimise noise disturbance at nearby premises it is generally recommended that activities relating to the erection, construction, alteration, repair or maintenance of buildings, structures or roads shall not take place outside the hours of:

08.00- and 18.00-hours Mondays to Fridays

08.00 and 13.00hours Saturdays

With no working Sundays or Public Holidays

Reason(s):

1. In order to comply with the provisions of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. To be in compliance with Section 59 of The Town and Country Planning (Scotland) Act 1997, as amended by the Planning etc (Scotland) Act 2006.
3. In the interest of road safety; to ensure the provision of an adequate design layout and construction and to avoid severe gradients which would render the driveways unsuitable for vehicular use.
4. In the interest of road safety; to ensure the provision of an adequate design layout and construction and to ensure that no deleterious material is dragged on to the public road.
5. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
6. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
7. In the interest of road safety; to ensure the provision of adequate visibility splays at the junctions of the vehicular access and the public road.
8. In the interest of road safety; to ensure the provision of adequate off-street parking.
9. In the interest of road and pedestrian safety; to ensure the public footpath is kept clear.
10. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEplan 2017.
11. To protect the residential amenity of the surrounding dwellinghouses

183 **Application No:** 22/02613/NMV1

Date Decision Issued: 19/10/2023

Ward: Tay Bridgehead

Proposal: Re-rendering and installation of replacement windows and doors and roof (Non-material variation for amendments to roofing materials relating to application reference 22/02613/FULL)

Location: Leuchars Station Army Base Innes Road Leuchars St Andrews Fife KY16 0JX

Application Permitted - no conditions

Ward: Tay Bridgehead
Proposal: Erection of dwellinghouse with garage and formation of access, boundary enclosures including associated drainage and landscaping works
Location: Land At Fordelhill Farm Drumoig Fife
Applicant: Mr P Carmichael C/o Andrew Black Design 27 Tay Street Lane Dundee Scotland DD1 4EF
Agent: Andrew Black The Mews 27 Tay Street Lane Dundee Scotland DD1 4EF

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. Prior to any works starting on site, visibility splays of 3m x 140m shall be provided to the North and to the South of the vehicular access onto the A914 public classified road and thereafter maintained in perpetuity, clear of all obstructions exceeding 1.05 metres above the adjoining carriageway level, insofar as lies within the applicant's control, in accordance with the current Fife Council Transportation Development Guidelines. For the avoidance of any doubt, the vegetation within the adopted roadside verges to the North of the proposed access junction, will require to be removed so as to secure the required visibility splay in that direction.
2. Prior to the occupation of the proposed dwellinghouse, the first three metre length of the vehicular access to the rear of the A914 public road shall be constructed in a paved material (not concrete slabs).
3. Prior to the occupation of the proposed dwellinghouse, there shall be provided within the curtilage of the site, turning areas for vehicles suitable for use by the largest size of vehicle expected to visit or be used by occupants of the dwellinghouses to allow a vehicle to enter and exit the access onto the A914 public road in a forward gear. The turning area shall be formed outwith any of the parking areas and shall be retained throughout the lifetime of the development.
4. Prior to occupation of the proposed dwellinghouse, all works carried out on or adjacent to the public roads shall be constructed and completed in accordance with the current Fife Council Transportation Development Guidelines.
5. Prior to the occupation of the proposed dwellinghouse, there shall be 3 No. off-street parking spaces provided for that dwellinghouse in accordance with the current Fife Council Transportation Development Guidelines. The parking spaces shall thereafter be retained throughout the lifetime of the development for the purposes of off-street parking.
6. Where a garage is to be considered for inclusion in the required off street parking provision, the minimum internal garage dimensions to accommodate a single off street parking space, shall be 3m x 7m. Anything smaller than this will not be considered as an off-street parking space.
7. All planting carried out on site shall be maintained by the developer in accordance with good horticultural practice for a period of 5 years from the date of planting. Within that period any plants which are dead, damaged, missing, diseased or fail to establish shall be replaced annually.
8. IN THE EVENT THAT CONTAMINATION NOT PREVIOUSLY IDENTIFIED BY THE DEVELOPER prior to the grant of this planning permission is encountered during the development, all development works on site (save for site investigation works) shall cease immediately and the local planning authority shall be notified in writing within 2 working days.

Unless otherwise agreed in writing with the local planning authority, development work on site shall not recommence until either (a) a Remedial Action Statement has been submitted by the developer to and approved in writing by the local planning authority or (b) the local planning authority has confirmed in writing that remedial measures are not required. The Remedial Action Statement shall include a timetable for the implementation and completion of the approved remedial measures. Thereafter remedial action at the site shall be completed in accordance with the approved Remedial Action Statement. Following completion of any measures identified in the approved Remedial Action Statement, a Verification Report shall be submitted to the local planning authority. Unless otherwise agreed in writing with the local planning authority, no part of the site shall be brought into use until such time as the remedial measures for the whole site have been completed in accordance with the approved Remedial Action Statement and a Verification Report in respect of those remedial measures has been submitted by the developer to and approved in writing by the local planning authority.

9. The residential unit hereby approved shall be used solely as a residence for (a) a single person or by people living together as a family; or, (b) not more than 5 unrelated residents living together in a dwellinghouse. For the avoidance of doubt the residential unit hereby approved shall not be used for Housing in Multiple Occupation.
10. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In the interest of road safety; to ensure the provision of adequate visibility splays, from the outset of the proposed works, at the junction of the vehicular access and the public road.
2. In the interest of road safety; to ensure that no deleterious material is dragged on to the public road.
3. In the interest of road safety; to ensure that all vehicles taking access to and egress from the site can do so in a forward gear.
4. In the interest of road and pedestrian safety; to ensure the provision of an adequate design layout and construction.
5. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
6. In the interest of road safety; to ensure the provision of adequate off-street parking.
7. In the interests of visual amenity and effective landscape management; to ensure that adequate measures are put in place to protect the landscaping and planting in the long term.
8. To ensure all contamination within the site is dealt with.
9. In the interests of maintaining a mixed and balanced housing stock as required by Policy 2 of the Adopted FIFEplan 2017.
10. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

185 **Application No:** 23/02231/LBC

Date Decision Issued: 19/10/2023

Ward: Tay Bridgehead

Proposal: Listed building consent for installation of replacement windows and doors and roof and render (amendments to roofing materials relating to application reference 22/02612/LBC)

Location: Leuchars Station Army Base Innes Road Leuchars St Andrews Fife KY16 0JX

Applicant: Mitie Building 177 177 1 Tutor Road Leuchars Fife KY16 0LB

Agent: Stuart Buchanan 177 Bothwell Street Glasgow Scotland G2 7ER

Application Permitted - no conditions

186 **Application No:** 23/02433/FULL

Date Decision Issued: 26/10/2023

Ward: Tay Bridgehead

Proposal: Change of use from office (Class 1A) to shop (Class 1A) and cafe/delicatessen (Class 3) with ancillary hot food take-away (Sui Generis)

Location: 18 High Street Newport On Tay Fife DD6 8AD

Applicant: Mashed Neep Ltd 41 Dundee Road West Broughty Ferry Dundee United Kingdom DD5 1NB

Agent: JON FRULLANI 140 Perth Road Dundee United Kingdom DD1 4JW

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Notwithstanding the terms of Class 3 of The Town and Country Planning (Use Classes) (Scotland) Order 1997, the premises shall only be used as a coffee shop for the preparation and sale of coffee, teas, soft drinks, paninis, toasties, sandwiches, soup, rolls and bakery products and similar goods (unless otherwise agreed in writing with this Planning Authority) where their preparation does not give rise to unacceptable cooking levels e.g. frying/deep fat frying which would be detrimental to the amenity of the adjoining properties. FOR THE AVOIDANCE OF DOUBT, frying/deep fat frying is hereby NOT PERMITTED.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interests of protecting amenity.

187 **Application No:** 23/01575/FULL

Date Decision Issued: 05/10/2023

Ward: West Fife And Coastal Villages

Proposal: Change of use from shop (Class 1A) to hot food takeaway (Sui Generis)

Location: 12 Link Road Oakley Dunfermline Fife KY12 9RU

Applicant: Mr Muhammad Shafiq 5 Castle Park Kincardine Scotland FK10 4QH

Agent: Sabahat Hamad 7c High Station Road Falkirk Scotland FK1 5LP

Deemed Refused

Reason(s):

1. In the interests of safeguarding residential amenity; insufficient information has been submitted by the applicant to demonstrate that the proposed use and the extract ventilation system would effectively extract and disperse the cooking fumes generated by the use without giving rise to unacceptable noise, odours and nuisance; all contrary to National Planning Framework 4 (2023) Policy 23 (Health and Safety); PAN 1/2011 Planning and Noise (2011); Policies 1 (Development Principles) and 10 (Amenity) of the Adopted FIFEplan Fife Local Development Plan (2017) and Fife Council's Planning Customer Guidelines on Businesses Selling Food and Drink (2016).

188 **Application No:** 23/01761/FULL

Date Decision Issued: 06/10/2023

Ward: West Fife And Coastal Villages

Proposal: Installation of replacement windows

Location: 21 Forth Street Kincardine Alloa Fife FK10 4LX

Applicant: Mr John Jenkins 21 Forth Street Kincardine Alloa Fife FK10 4LX

Agent: Scott Fairclough Fairgrove Architectural Services Main Street Skinflats Falkirk
Scotland FK2 8NU

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.

189 **Application No:** 23/01762/LBC

Date Decision Issued: 06/10/2023

Proposal: Listed Building Consent for installation of replacement windows

Location: 21 Forth Street Kincardine Alloa Fife FK10 4LX

Applicant: Mr John Jenkins 21 Forth Street Kincardine Alloa Fife FK10 4LX

Agent: Scott Fairclough Fairgrove Architectural Services Main Street Skinflats Falkirk
Scotland FK2 8NU

Application Permitted - no conditions

Ward: West Fife And Coastal Villages
Proposal: Erection of 5 holiday lodges and formation of access and parking
Location: Land 100M South Balmule Cottage Balmule Fife
Applicant: Mr Patrick Slattery 19 Kirkbrae Fraserburgh Scotland AB43 9BY
Agent: Michael Ritchie 27A High Street Banff Scotland AB45 1AN

Deemed Refused

Reason(s):

1. In the interests of safeguarding the countryside from unjustified sporadic development; the need for the proposed development at this location has not been justified as the application site lies outwith any defined settlement boundary and the proposal does not meet any of the criteria set out in Policies 1 or 7 of the Adopted FIFEplan. The proposal is therefore contrary to Policies 1 and 7 of the Adopted FIFEplan (2017) and Policies 29 and 30 of National Planning Framework 4.
2. In the interests of visual amenity; the proposal would fail to safeguard the character and qualities of the landscape resulting in a significant detrimental effect on the visual amenity of the area, contrary to Policy 14: Design, Quality and Places and 29: Rural Development of NPF4 and Policies 1 and 10 of the adopted FIFEplan Fife Local Development Plan (2017).
3. In the interest of road safety; the development would be unable to provide adequate visibility splays, thereby resulting in a significant detrimental impact on existing levels of road safety, contrary to Policy 13: Sustainable Transport of NPF4 and Policy 1: Development Principles and Policy 3: Infrastructure and Services, of the adopted FIFEplan (2017).

Proposal: Change of use from stable to form extension to dwellinghouse (Class 9)
Location: Blairburn Cottage Blairburn Balgownie West Culross Dunfermline Fife KY12 8JN
Applicant: Messrs c/o Gillespie Macandrew 5 Atholl Crescent Edinburgh UK EH3 8EJ
Agent: Findlay McPherson Elm House Cradlehall Business Park Inverness United Kingdom IV2 5GH

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. Prior to the first occupation of the extended part of the dwelling, there shall be provided within the curtilage of the site 2 off-street parking spaces for vehicles and a turning area for a car, all in accordance with the current Fife Council Making Fife's Places Appendix G and as per the layout shown on Drawing No 471224/PL04 Revision A. The parking spaces and turning area shall be retained for the lifetime of the development.
3. Prior to the development coming into use; all measures as advised within Section 9 of the Survey Report (Document 12) shall be carried out in full.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of road safety; to ensure the provision of adequate off-street parking facilities.
3. to ensure the protected species are not impacted by the proposed development.

Ward: West Fife And Coastal Villages

Proposal: Change of use of woodland to hutting site (1 hut)

Location: Land To The North Of Balmule Fishery Fife

Applicant: Mr Stuart Lewis 11 Brunswick Terrace Edinburgh Scotland EH7 5PG

Agent:

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. The hut, hereby approved, shall only be used as a hut as defined in the National Planning Framework 4 (2022) (NPF4). For the avoidance of doubt, NPF4 describes a hut as 'a simple building used intermittently as recreational accommodation (i.e. not a principal residence); having an internal floor area of no more than 30 square meters ; constructed from low impact materials; generally not connected to mains water, electricity or sewerage; and built in such a way that it is removable with little or no trace at the end of its life. Huts may be built singly or in groups SPP describes a hut as 'a simple building used intermittently as recreational accommodation (ie. not a principal residence); having an internal floor area of no more than 30m2; constructed from low impact materials; generally not connected to mains water, electricity or sewerage; and built in such a way that it is removable with little or no trace at the end of its life.'

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In order to ensure that control is retained over the development and that the site does not form permanent residential accommodation inappropriate to the rural setting.

Application Permitted with Conditions

Approve subject to the following condition(s):-

1. The development to which this permission relates must be commenced no later than 3 years from the date of this permission.
2. BEFORE THE OUTBUILDING HEREBY APPROVED BECOMES OPERATIONAL, the agreed compensatory tree planting (i.e. 2 Silver Birch) shall be carried out on site and this shall be in advance of the next available tree growing season unless otherwise agreed in writing with this Planning Authority. Thereafter, should the replanted tree(s) die within the first 36 months of planting, they should be replanted at the expense of the landowner.

Reason(s):

1. In order to comply with the provisions of Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended by Section 32 of The Planning (Scotland) Act 2019.
2. In the interest of preserving natural heritage.
