“Given the support for the development of a further report to the 29th March 2023 Committee, with a view to establishing and supporting potential Community Growing Projects, in conjunction with Forestry and Land Scotland, Fife Council and other Third Sector Funding bodies, across the Cowdenbeath Area, I would ask that the Committee now agrees to add an additional recommendation number 3 to Item No. 8 on the Agenda, report on Community Food Growing Update, as follows:-

3. The Cowdenbeath Area Committee resolves to fund, from the Cowdenbeath Anti-Poverty budget 2023-24, the sum of £60,000 to ensure the development of community food growing initiatives across the Cowdenbeath Area, in line with its Reform Schemes on Tackling Poverty and Crisis Prevention.

This work will build on lessons learned during the initial response and community support to the Covid-19 crisis and set out how those lessons can be built into the Plan for Fife strategy for the next three years.

Community Growing Schemes are one such scheme which will encourage community growing groups throughout Cowdenbeath and Fife to develop projects and to provide support for existing and new growing projects.

The overall benefits of such projects are well sighted, detailed and evidenced one such example being the Edible Estates projects.”

Proposed by Councillor Rosemary Liewald  
Seconded by Councillor Linda Erskine
